	Adur District Council	South East	0 1	0	1 0 0	The EA and the Wildlife Trust on the LSP be Biodiversity grepresented of partnership, hor LBAP for Annual Each of the EAP for Annual Eap and the EAP fo	he Sussex are represented pard. The Adur roup is on the wider lowever there is Adur & so it is hat this group is	0 0	1	1 0	1	0 0	1 1	1 0	0	0 0	0 0	1	0 (O The action plan outlines a number of detailed & b'd specific actions. Includes 'contribute to the implementation and monitoring of the Sussex BAP. Whilst there are many, detailed, actions more quantifiable targets & indicators could be outlined.	1 1	1 1	0 (Good recognition of the cross- cutting nature of themes.	1 1	1 (0	Excellent strategy. Detailed & well presented. Strategy itself outlines the key challenges & objectives. The Action Plan then outlines several detailed action & commits to the implementation of the West Sussex BAP. Could outline more, quantified, targets
	Alnwick District Council	North East	0 1	0	0 1 1	the environme The RSPB ar key partner in	ish Nature, the the RSPb & others involved in ent theme group. e also listed as a a theme group e environmental	0 0	1	1 0	1 It has an in-built Action Plan.	0 0	1 1	1 0	0	0 0	0 0	0	0 (No actions are specified within the strategy, but they are identified within the Action Plan which is in-bullt into the strategy. Indicators suggested include no. of LBAPs, % of nationally important habitat in the area & area of native woodland cover.	1 0	0 0	1	Environmental awareness is recognised as a 'topic' under the section dealing with the social development of young people. Area's natural environment recognised as factor in the area's 'huge potential' for sustainable tourism, improtant for economic develo	1 1	1 (0	78 page long word document, poorly presented. However, very detailed and includes a number of biodiversity commitments. Actions and targets are also listed.
2	Amber Valley Borough Counc					the LSP, or w the developm environment s	are members of ere consulted in ent of the section.	0 0			0 The Community Strategy has a very basic 'Action Plan' built into the strategy document, however it is really just a brief list of potential actions, rather than a distinct Action Plan. There is a very basic biodiversity related target.	0 0	0 1	1 0	0	0 0	0 0	0	0 (0	0 0				0 (0 (olt is acknowledged that No formal monitoring or review process is outlined.	Somewhat lightweight document, with only a relatively brief treatment of the issue. However biodiversity is recognised as a factor in the achievement of environmental objectives & it does outline a biodiversity related action.
	Arun District Council	South East	0 0	0	0 0 0	0 Membership o	of the Isp is not	1 0	1	1 0	Ol None of the sections are specifically environment themed, although there is a section on sustainability. Objectives & an action for bid are however scattered throughout the document including a broad commitment to nature conservation & species protection.	0 0	0 1	0 0	0	0 0	0 0	0	0 (There is a commitment to the development of a local biodiversity plan*.	1 0	1 0	0 (0 (0	0	The strategy is not particularly well structured is there is not a specific environment section. Does contain broad commitment to bid protection is there is an action to develop a local bid plan. Could however be much more detailed. Overall poor bid content
6	Ashfield District Council	East Midlands	1 0	0	0 0 0	at board or the on the LSP. H Nature, the N	are represented eme-group level dowever English otts Wildlife BAP partnership ed as key ctions listed in	0 0	1	1 0	Biodiversity issues are not listed as one of the key priorities for the area, but the protection and enhancement of biodiversity is one of the aims listed in the environment section. Includes targets and indicators, but not for biodiversity.	0 0	1 1	1 0	0	1 1	1 0	0	0 (The Action Plan is excellent. The above listed targets are listed as actions in the Action Plan, but are treated as targets in the annual reporting process.	1 0	1 1		There is no formal mechanism for the treatment of cross- cutting themes. However the strategy does recognise that to achieve improvements in quality of life the environment, economy & social equity can not be treated separately.	1 1	1	1	Long & detailed document that is primarily concerned with tackling deprivation in the district. Does however include objectives for bid. The associated Action Plan has an excellent treatment of bid, detailing many actions & involving the LBAP partnership.
8	Association of Greater Manchester Authorities	North West	0 0	0	0 0 0		bove appear to have nted on the LSP.	1 1	0	0 0	The sole reference to the natural environment is to continue to promote environmental enhancements in manchester's countryside.	0 0	0 0	0 0	0	0 0	0 0	0	0 (0	1 0	0 0	0 (1 (0	0	Detailed, but almost entirely focused on economic development, & to a slightly lesser degree, social regeneration. Consideration of environment is mostly restricted to the sustainable communities theme, but this mainly deals with housing & waste. Poor.
11	Barking and Dagenham London Borough Council	Greater London	0 1	0	0 1 0		ner, greener, nember from the Agency sites on	0 1	0	0 0	0	0 0	0 0	0 0	0	0 0	0 0	0	0 (0	0 0	0 0	0 (1 (0	O There are "key community success" measures for other parts of the community strategy which would appear to be closely monitored. However there are no specific targets, nor apparently feedback for "environmental" issues, let alone biodiversity.	There is very little by way of dealing with 'specific' environmental issues and no mention made of biodiversity. In general, the community strategy deals more with public perceptions of how "green" their local area is.
12	Barnet London Borough Counc		0 0	0	0 0 0	No reference partnership no appear to be a "conservation sites on the Li	or does there anyone from a " agency who	1 1	0	0 0	Community Plan mentions only Green Space in the environmental section	0 0	0 0	0 0	1	0 0	0 0	0	0 (0	1 0	0 0	0 (D	1 (0 (0	Only mention of specific environmental issues are access to greenspace and public perception of green space available in the borough.
	Bamsley	Yorkshire and Humber	0 0	0	0 0 0	0				1 0			0 0	0 0							1 0	0 0			1 (0 (0	A very very detailed plan that focusses on urban renewal and barely mentions biodiversity in its 80 pages.
14	Barrow-in- Furness Borough Counc	North West	1 1	1	1 1 0	on the LSP (T Partnership).	The LBAP re referred to & responsible for ty objectives,	0 0	1	1 0	0	0 0	0 1	1 0	1	0 0	0 0	0	0 (Access to greenspace in 'areas where there is currently no access to nature' is a key objective/target included in the strategy.	1 0	1 1	1	Il tis recognised that implementing the Cumbria LBAP will positively contribute to the overall quality of life for all residents, including helping to improve health & raising the profile of the Borough to enhance tourism & encourage business investment'	1	1	1	Good recognition of the cross-cutting benefits of implementing the LBAP (this section written by the LBAP partnership), and in general good treatment of biodiversity, Not presented in the most accessible format & no timescales, however.

15	Basildon Distric Council	East of England	0	0	0 0 0	1 English Nature, the Environment Agency and the Basildon Wildlife Forum are a listed as 'partnerships working towards the challenges' in the environmental section, but no appear to formally participate at board level.	III 3	0 (0 1	0 1	Some objectives have relevance to biodiversity including valuing and protecting our countryside and greenbelt, and the planning of 'green corridors and improved treescapes'.	0 0	0 1 1	1	0 1	1	0	0 0	0	0 0	O There is one target relevant to biodiversity: to reduce the number of local people who think that access to nature should be improved. Specific actions include increasing the area of natural habitats.			1 1		Increasing 'parks and open spaces' listed in the strategy and action plan for health and social well-being.	1	1	and progress to be reported	Well presented document with separate action plans for each of the key themes, including one entitled timing in a pleasant environment. Whilst this section does cover some biodiversity issues, and details some relevant actions, the term b'd is not used.
17	Basingstoke an Deane Borough Council	d South East	0	0	0 0 0	None of the above organisations are represented on the LSP.	0	0	1 1	0 1	Action plans are/were to be developed, but the lsp website is crashed at present & it is not therefore clear whether these have yet been produced/published. There are objectives for bid & progress will be measured in part by 'monitoring local bid'.	0 0	0 0 0	0 0	0 0	0 0	0	0 0	0	0 (0	1 0	0 1	1 0	0		1	0	0	Well presented strategy setting out aspirations/cloiches for a number of themes. Relatively good treatment of bid in the environment theme, although no specific actions or targets are outlined. Includes link to LBAP. Would be improved by an action plan.
18	Bassetlaw District Council	East Midlands	0	1	1 1 0	Notts Willdlife Trust chair the environment sub-group & therefore represent it at hub (steering) group meetings. The LBAP representative has in the past deputised for the env. sub-group chair & 'influenced to the highest level'.		0 (D 1	1 1		0 0	0 1 1	0	0 1	1	0	0 1	0	0 (0	0 0	0 (0 0	1		0	0	0	The Strategy has had strong input from eny- bodies (Widtleff Trust on LSP) and contains good objectives and targets. Seems a little light on the monitoring aspects though.
15	Bath & North East Somerset Council	South West	1	1	0 0 0	As of July 2004, none of the above organisations were partners to the LSP. The Avo Wildlife Trust, the EA & the IBAP partnership are howeve identified as partners for the implementation of the environmental priorities.	n	0	1 1	1 (0 0	0 0 0) 1	0 0	0 0	0	0 1	0	0 (Number of residents per hectare of LNR is listed as an indicator of progress for the environmental objectives.	1 1	0 1	1 0	0		0	0	0	Lengthy document, but not that detailed. Reasonable treatment of bid including an objective & an indicator, but little detail as to specific actions. However the strategy does commit to supporting the local BAP partnership.
20	Bedford Borough Counc	East of cil England	0 (0	0 0 0	Membership of the LSP is not clear.	0	0	1 1	0 1		0 0	0 0 1	0	0 0	0	0	0 0	0	0 0	0	1 0	1 1	1 0	0		0	0	0	Much improved on Feb 2004 draft. Detailed treatment of b/d as an issue & includes an objective for bld protection, but only specifies 1/2 actions & no targets. Commits to the delivery of the LBAP.
21	Bedfordshire County Council	East of England	0	0	1 1 0	The Environment Agency are represented on the LSP. The Bedfordshire Wildlife Trust & English Nature are represented on the environment forum.	0	0	1 1	0 1	An action plan has been produced but is not available online (given the lack of actions included in the strategy itself, it is probably worth requesting/researching).	0 0	0 0 0	0	0 1	1	0	0 0	0	0 1	1 Populations of wild birds, condition of SSSIs & access to green space are all used as indicators of quality of life/progress, but no targets are set.	1 1	1 1	1 1		VEry good treatment of cross- cutting themes in general & in particular the cross-cutting benefits of a b/d & a high quality natural environment.	1	0	0	139 page long document, but not well structured. Describes in detailt the context to bid issues & provides a very good treatment of the cross-cutting benefits of bid. However does not outline any bid specific actions (refer action plan?). Links to BAP.
22	Berwick Upon Tweed Borough Council	North East	0	0	0 1 0	The EA, English Nature, two Wildlife Trusts and the RSPB are all listed as 'agencies involved or potentially involve in the partnership' at theme group level.		0	1 1	1 1		0 0	0 0 1	0	0 0	0 0	0	0 0	0	0 1	1 The implementation of the government target for 95% of SSSTs to be in a favourable condition by 2010, is included as a target in the strategy (the action plan is not available online, so it is not known if it is included there also).	1 0	0 1	1 0		Sustainability is mentioned, but there is little evidence of themes being treated as cross- cutting elsewhere in the document.	1	0	0	Not the most readable or well presented document, but it does list as an objective supporting all aspects of nature conservation (biodiversity)? & describes the 'recognition & where appropriate promotion' of SNCIs, SSSIs & the AONB. No reference to LBAP.
20	Bexley London Borough Counc		0 (0	0 0 0	0 None of the above.	1	1 (0 0	0 1	Mention of greenspace but in slightly more detail, I.e. a mention of SSSIs in the area, green flag awards for parks, type of habitat present e.g. marshes.	1 1	1 0 0	0 0	0 1	0	0	0 0	0	0 0	Targets for increasing local participation in voluntary conservation organisations.	1 0	0 (0	0		1	1	0	The opening spiel is slightly more sophisticated in its assessment of what the borough possesses, such as LNRs, SSSIs, importance of habitat types such as marshland within the borough. However, this is not brought out in targets in the action olan.
24	Birmingham Cit Council	West Midland	s 0	0	0 1 0	0	1	1	1 1	0 (0 0	0 0 0	0	0 0	0	0	0 0	0	0 (0	0 0	0 0	0 0	0		1	0	There are no indicators for bodiversity.	Consultation draft which makes the usual 'urban' mistake of having a vague objective for biodiversity and then only having targets for transport and recycling.
25	Blaby District Council	East Midlands	0 0	o o	0 0 0	None of the above organisations appear to be represented on the LSP.	0	1 (0 0	0 (There is reference to local open space, but no recognition of biodiversity issues.	0 0	0 0 0	0 0	0 0	0 0	0	0 0	0	0 (0	1 1	1 (0 0	0		1	0	O The strategy identifies the organisations responsible for monitoring and reporting on each action, but as there are no specifically biodiversity related actions, no organisations have been identified for reporting on b/d.	The 1st strategy had a much better coverage of bid seuse, including specific actions and targets. This consultation draft however, whilst well structured, makes no reference to bid seuse at all, except for a commitment to improving open space.

	Blackburn with Darwen Borough Council	North West	0 1		0 1 0	& the EA a	shire Wildlife Tru re represented o ument theme grou	ust (0 0	Very short, half page section on the 'neighbourhood and environment'. The sole reference to biodiversity is to 'contribute to the protection of natural habitats'. No bid actions or targets are specified.	0 0	0 0	1 0	0 0	0 0	0 0	0	0 0		0 0					0	0	Short, 9 page document, acting as an update on the original 2000 plan, which is not available online. Very brief coverage of all issues, sepecially the environment. One objective for bid 8 no reference to LBAP. Perhaps original vision was more detailed.
2	7 Blackpool Borough Council	North West	0 0	0 0	0 0	0 Membersh clear.	ip of the LSP is r	not (0 0	1 1	0 1	There is an objective to support 'Marton Moss' as an 'revivronmental area' & the action is that this will be achieved in part through 'more recognition & monitoring of the bid' of the site. Other than this, however, there is little treatment of bid.	0 0	0 1	0 0	0 (0 0	0 0	0		The action plan was due to be published in october 2004, but is not, at present, available online.	1 0	1 1	1 0	0 It is recognised that a damaged environment will sooner or later hold back economic development and lower everyone's quality of life', but it is not formally recognised as a factor in 'achieving' social or economic development priorities.	1	0	0	Well presented & clear document. However relatively title treatment of the natural environment/biodiversity & no reference to the LBAP. Treatment of cross-cutting themes, but overall little bid specific information.
2	Blyth Valley Borough Council	North East	0 0	0 0	0 0	0 It is not cle the above involved in	ar whether any c organisations are the LSP.	of (0 0	1 0	1 1	Due to the way the document is structured no objectives' are really set out, but it does describe a target for bid, which could consitute a bid objective. Action Plans to be completed but not yet available online.	0 0	0 1	0 0	0 (0	0 0	0		Similarly to the comment in the previous section, due to the strategy's structure no actions are described but a current bid project is identified as one of several 'building blocks for change'- current actitivies which need to be 'galvanised & added to'.	1 0	0 (0 0	Environmental education & participation is listed as a method of achieving social development amongst young people in Blyth Valley.	1	0	0	Long but not particularly well structured (it is aimed at being readable & accessible to location people, rather than a formal presentation of strategy). Sets a target for backwestily & structure diagram refers to LBAP, but little other treatment of bid.
2	Bolsover District Council	East Midlands	0 0	0 0	0 0	None of the organisation the LSF	ns are represent		0 0	1 1	0 0	An action listed in the environment section is 'to prepare a local biodiversity action plan'.	0 0	0 1	0 0	0 (0	0 0	0	0 0		0 0	0 1	1 0	0	0	0	No formal process is described.	Objectives and actions are quite clearly set out. There is a commitment to the preparation of a LBAP, but otherwise there is little treatment of biodiversity, and there is little recognition of the cross-cutting nature of the themes.
3	Bolton Metropolitan Borough Council	North West	0 0	0	0 0	on the part group. The represente Environme environme	ns are represent nership steering y may be d on the Bolton nt Forum (the nt theme group), rship of this grou	ted	0 0	1 1	0 1	In-built action plans. Further action plans are to be developed for each target.	0 0	1 0	1 0	0 (0	0 0	1	0 0		1 0	1 1	1 1	0	1	1	0	Detailed & lengthy document. Reasonable treatment of the natural environment, committing to bid enhancement. Needs a more specific list of bid actions. Would benefit from greater integration with the LBAP (no reference at present).
3	Boston Borough Council	East Midlands	1 (0	0 0	Nature and Wildlife Tri members of	nt Agency, Engli I the Lincolnshire Ist were all If the LSP, althor ocified at which	ish	0 0	1 1	0 0	Little reference is made specifically to biodiversity, however the term is included in the glossary and the LBAP is supposed to have informed three of the strategy's objectives including the conservation & enhancement of natural heritage.	0 0	0 0	1 0	0 (0	0 0	0	0 0		1 0	1 (0 0	The protection of environment through 'sustainable' development' is recognised as a cross-cutting issue that is central to the success of this strategy.		0	0	Readable and well presented document. The LARP has been used to inform three of the environmental objectives although neither the term nor the concept of blodiversity is specifically mentioned. Would be improved if bid specific actions were outlined.
3	Bournemouth Borough Council	South West	0 1	0	0 1 0	EA, (& the Friends of branches)	t Wildlife Trust, t local WWF & the Earth are represented ivironment them	on	0 0	1 1		The 2004 revision is much improved on earlier versions- using the term blodiversity & including a specific bid objective, neither of which were in earlier versions of the strategy. Unclear whether targets are incl. as website not fully functioning.	0 0	0 0	0 0	0 (0 0	0 0	0		Having referred to the theme group pages however it would appear likely that still no targets relate to bid. No actions are specified.	0 0	0 1	1 0	There is little/no treatment of cross cutting themes.	1	0	0	The most recent revision of the community plan in Apr 2004, is much improved on earlier versions, actually using the term bid 8 including bid objectives. There is a commitment to the local implementation of the Dorset LBAP, but no other actions/largets.
3	Bracknell Forest Borough Council	South East	0 0	0 0	0 0	0		(0 0	1 1		It could be argued that there is a broad commitment to bid since the over-arching objective is to 'protect & improve Bracknell Forest's environment' & apparently they are working to consider 'protecting bid'. None of the targets or actions relate to bid.	0 0	0 0	0 0	0 (0	0 0	0	0 0		1 0	0 1	1 0	0	1	0	0	Detailed strategy. Reasonable treatment of the environment. However there is very little specific treatment of bd, with no actions or targets directly relating to bd. There is a link to the LBAP though & commitment to work on protecting bid.
3	Bradford MBC	Yorkshire and Humber	1 1	1	0 0	0		-	1 0	0 0	0 0		1 0	0 0	0 0	0 (0	0 0	0	0 0		0 0	0 0	0 0	0	1	0	0	There are no targets or objective for biodiversity. The only mention of the natural environment was to say that 46% of
11	Braintree District	East of England	1 1	0	0 0 0	Nature and agency are for a numb objectives/	dife Trust, Englis I the Environmer I the lead partner er of the actions outlined in Inity strategy.	nt rs	0 0	1 1		Whilst the community strategy does include an action plan, this plan also constitutes the main body of the strategy report itself.	0 0	1 1	1 0	0	0	0 1	0		Five additional sites to be identified as Local Nature Reserves by 2014. Management plans to be implemented for 300 hectares of open space by 2014.	1 0	1 1	1 1	Biodiversity and natural environment initiatives are included as key actions within the social development theme.		1	partner for some of the biodiversity objectives. It is no	residents thought the Council cleaned up litter from its landholdings! The strategy recognises the importance of blodiversity issues & includes several bid intitatives in its social policy. The action plan is clearly structured identifying objectives, timescales, outcomes & key partners. It also sets quantifiable bid targets

	Breckland District Council	East of England	0 0	0	0 0 0	0	0	0 0	1	0 1	The outline strategy includes objectives for biodiversity. There is to be an associated Action Plan.	0 0	0	0 0	0 0	0 0	0	0 0	0	0 0	0	0	0 0	0	0	0	1	0	Progress updates to be reported annually and a full scale consultation & review to be held every three years.	An outline of the key objectives for the Community Strategy is currently available. This booklet is open to public feedback until the 11th of February and a 3 year Strategy, with associated action plans, will be published later in the year.
	Brent London Borough Counci		0 0	0	0 0 0	0 None of the above	1	1 0	0	0 0		0 0	0	0 0	0 0	0 0	0	0 0	0	0 0	0	1	0 0	0	0	0	1	0	This is not contained within the community strategy but within a separate "Parks Strategy" which details a formal monitoring and review process for parkland and other green spaces. No mention of biodiversity though.	There are two strategies: "A Corporate Strategy 2002-2006" and the above- mentioned strategy. Neither contains any mention of biodiversity nor any specific targets. Additionally there is a "parks strategy".
	Brentwood Borough Counci	East of I England	1 (0	0 0 0	There is no reference to the LBAP partnership or any of the above organisations having representation on the LSP.	0	0 1	1		The Plan indicates that appropriate measures under the LBAP will be implemented. The LSP website indicates that the community strategy will/should have an Action Plan, although this Plan does not.	0 0	0	1 0	0 0	0 1	0	1 0	0	0 0	0	0	0 0	1	0	0	0	0	will be reviewed regularly and that consequently objectives may be amended as	It is likely that a separate Community Strategy is being prepared & that this plan was initiated before all relevant legislation was implemented. It currently provides coverage of some biodiversity issues without detailing any specific targets.
	Bridgnorth District Council	West Midlands	0 1	0	0 0 0	0	0	0 1	0		2.5 Not specifically for Biodiversity, but in terms of improving the environment e.g Reducing air pollution from cars and reducing amount of chemicals used in farming	0 0	0	0 0	0 0	0 0	0 1	0 0	0	0 0	O No specific action plan on biodiversity refers to Local biodiversity action plan. 3.4 The strategy identifies specific actions to improve the environment, rather than biodiversity itself. 3.6 None of the above apply, though access to countryside included		0 0	0	1	Cross cutting themes listed as equally, sustainable longterm solutions, Information communication technologies and links betweenurban and rural areas. Top priorites is improving the environment includes recycling and providing local transport	1	0	0	Good interms of discussing general themes, more specifics given for sections on waste, energy, transport etc
	Brighton and Hove City Council	South East	0 1	0	1 0 0	The Environment Agency are represented on the LSP.	0	0 0	1	0 1		1 1	0	1 0	0 0	0 0	0	0 0	0	0 0	None of the targets in the action plan relate to b'd & the LBAP is not one of the linked plans.	0	0 0	1	0	Little/no treatment of cross- cutting themes.	1	0	Progress is to be reported at six-monthly intervals.	The strategy itself provides a relatively good treatment of bid, outlining a commitment to maintain & improve the natural environment & including some broad actions. However none of the targets in the action plan relate to bid & there is no link to LBAP
	Bristol City Council	South West	0 1	0	1 0 0	0 The EA are represented on the LSP.	0	0 1	1	1 1	The strategy does not include targets for biodiversity but does include an indicator: 'the average number of bird' species per garden'. Includes an in-built action plan.	0 0	1	0 1	0 0	0 0	0 1	0 1	0	0 0	There is a target in the action plan for all LNRs to be in a favourable status by 2010.	0	0 0	1	0	0	1	0	0	Good treatment of biodiversity. Includes objectives, actions and a target. Outlines commitment to the development of an LBAP. Little treatment of cross-cutting themes however. Subjected to a sustainability appraisal.
	Broadland District Council	East of England	0 1	0	1 0 0	The EA is represented on the LSP board.	0	0 1	0		The community strategy describes the value of the district's wilding & natural environment. It outlines as an aim the protection, conservation & enhancement of its 'heritage' but there are no 'aspirations' or actions specific to biodiversity conservation	1 0	0 0	0 0	0 0	0 0	0	0 0	0	0 0	O The Action Plan simply describes projects which have relevance to the Community Plan. None of these are primarily focused on protecting or enhancing the natural environment,		0 1	0	1	Recognises that many of the different aspects of quality of life are linked. It also states that the area benefits from its heritage (including its natural environment & biodiversity) socially, economically and environmentally.	1	0	out in each year's action plan	Well researched & well presented document. However, whilst it recognises the value of the district's natural heritage & the need to protect this, it provides scant evidence of objectives or actions specifically aimed at conserving the natural environment.
	Bromley London Borough Counci		1 (0	0 0 0	Links in the appendix of the community plan point to the local BAP. The local BAP is a detailed plan in its second draft (2003) with multiple organisations contributing and detailed targets for biodiversity.	0	0 1	0	0 0		0 0	0	0 0	0 0	0 0	0 1	0 0	0	0 0	0	1	1 0	0	0	0	1	0	0	Though the community plan does not contain any detail on biodiversity targets it does list the Local BAP which is a thorough and detailed document.
43	Bromsgrove BC	West Midlands	0 1	0	0 0	0	0	0 0	1		Only target links to recommendation of water vole	0 0	1	1 0	0 0	0	0	1 0	0	0 0	0	0	0 0	0	0	0	0	0	0	Short glossy version of the strategy. Full version is not available online.
	Broxbourne Borough Counci	East of I England	0 0	0	0 0 0	Groundwork Hertforshire is represented on the LSP but none of the above organisations are represented.	0	1 0	0	0 1	survey. The environment section in the Community Strategy is restricted to recycling & transport issues. Improve the management of open space is an objective but this appears to refer to providing facilities & entering the 'Anglia in Bloom' competition.	0 0	0	0 0	0 0	0 0	0	0 0	0	0 0	According to the Community Strategy an Action Plan is produced annually, setting targets and enabling the monitoring of progress. This was not however available online.	1	1 0	0	0	The Community Strategy has a section devoted to the treatment of 'cross-cutting themes', but does not include environment as one of these.	1	0	The plan is to be fully reviewed every three years, and Action Plans will be produced annually.	Clear & well structured document. However, the natural environment is barely considered in this strategy. It is stated that 'wildlife conservation does not ment consideration as a key priority as important sites are already afforded adequate protection.

45	Broxtowe Borough Council	East Midlands				The LBAP partnership is represented on the environment theme group, as are the Wildlife Trust and the Environment Agency.	0 0	0	1 0	The strategy itself includes objectives for biodiversity b not actions or targets.	. 0	0 0 0	1 1	0 (0 0		0 1	0	The Action Plan details a number of bid specific actions & identifies the lead partners for these actions. One relates to the implementation of a farmland birds project, but otherwise the targets associated with these actions have not been made clear.	1 0	1 1	1	0	1	1	1	Clear and readable document, with a good section on the environment & specificacily on wildlife protection. The Action Plan details a number of good, bid specific actions, probably developed in conjunction with the LBAP partnership.
	Buckinghamshir e County Council	South East	1 1	1 1	1 0 0	The Environment Agency are represented on the LSP. The BAP partnership is identified as the lead partner for the implementation of a b/d target.	0 0	1	0 0	There is recognition of that county supports a diversity wildlife, but does not outline any objectives specifically relating to bid protection or enhancement. In the in-buil action plan there is howeve target relating to the LBAP.	of e ilt era	0 0 1	0 0	0 (0 0	0 1	0	0 0		The following is a target in the in-built action plan: Targets in the Buckinghamshire and Milton Keynes Biodiversity Action Plan are met'.	0 0	0 1	0	Little/no treatment of cross- cutting themes	1	1	1	Basic 16 page document. It sets out a number of targets, but outlines few objectives & it provides little detail on how these targets are to be achieved. It does however recognise that there is a diversity of wildlife in the county & commits to the LBAP.
	Burnley Borough Council		0 0	0 0		None of the above organisations are represented on the LSP.	0 0	1	1 1	Action plans are to be developed for some section of the strategy. There is however no reference to the development of an action pl for environment.	ns ie olan	0 0 0	1 0	0 (0 0	0 1	0	0 0		The LSP will support the development & implementation of projects which contribute to the LBAP. The implementation of targets in the LBAP is also listed as a target in the community strategy.	0 0	1 1		It is intended that Burnley's 'landscapes and green spaces will be contributing to the local economy'.	1	0 (Overall a detailed & relatively well stuctured document. Reference to biodiversity protection & the LBAP. In places however it appears that b'd issues may have been better dealt with, had an environmental organisation been involved with the LSP.
	Bury Metropolitan Borough Council	North West	0 1	0 1	1 0 0	Two representatives from the wildlife trust are represented on the bury environment forum, the lead organisation for the environment theme. One of these representatives chairs the environment forum & consequently also sits on the LSP steering group.	0 0	0	1 1	Commits to the promotion or biological diversity, but doe not specifically use the tern biodiversity. An associated year action plan is to be developed, but is not yet available online.	es n	0 0 0	1 1	0 (0 1	1 0	1	0 0	0	The above targets are found in the strategy & not the action plan.	1 1	0 1	1	0 The strategy includes a matrix that illustrates how all relevant local plans/policies cut across the different themes. The environment can thus be seen to be relevant in a number of different rease. Otherwise not extensive treatment of crosscutting issues	1	0 (0	Relatively good treatment of the natural environment/bodwersity. It should benefit from the development of the action plan, where actions are outlined in greater detail. There is however no reference to the LBAP.
49	Calderdale MBC	Yorkshire and Humber	0 0	0 0	0 0 0)	0 0	1	1 1	0	0	0 0	1 0	0 0	0 0	0 1	1	0 0	0		1 1	0 0	1	0	0	0 (0	
		East of England	1 0	0 0		The Cambridge Biodiversity Partnership is mentioned.	1 0			It is stated that the natural environment should be improved, but no detail is provided as to how this will achieved. It states that the Cambridge Biodiversity Partnership is promoting biodiversity, but does not report any specific action or objectives.	ır				0 0			0 0			1 0	1 0	1	0	1		Progress will be reviewed annually.	Glossy publication with very little detail. There is not a distinct section on the Environment, and other than a target to 'develop strategic open spaces in the city', there are no objectives relating to biodiversity or wildlife habitat provisions.
	Camden London Borough Council	London				None of the above.	0 1	1 (0 0	Mention is made of the council's local BAP. This pl is not available online.	lan	0 1 0	0 0	0 0	0	0 0	0	0 0		These targets are possibly included in the Camden Local BAP but do not appear in the community strategy.	1 0	0 0	0	0	1	0 (Annual updating of the community strategy document and assessment of targets met or otherwise.	BAP report (which was produced in 2002). Otherwise environmental measures are targeted on pollution, open spaces, waste and recycling.
	Cannock Chase District Council		0 1	0 0		The Staffs Wildlife Trust, the RSPB & the Environment Agency are all lead partners for actions in the environment theme.	0 0	1	1 0	The community strategy is presented in the form of an action plan.	0	0 0 0	1 1	0 1	1 1	0 0	1	0 0		There is an action/target to produce, consult on and adopt the Biodiversity Action Plan' by 2005. There are also targets for new planting of woodland & hedgerows; management of woodland, hedgrow & heathlands; and access to greenspace (including LNRs).	1 1	1 1	0		1	1	0	The strategy is presented as an Action Plan. Not much detail is therefore provided on the context to the strategy or the issues, but it does outline a number of specific objections, actions & targets (including for bid). Commits to the adoption of a LBAP.
	Canterbury City Council	South East	0 1	0 0	0 0 1	None of the above organisations are represented on the LSP board. English Nature, The RSPB and the Kent Wildlife Trust are however all represented on the 'wider partnership'.	0 0	1	1 1	The community strategy contains objectives and indicators for b/d. A separal vision document available of the LSP website uses the tb/d and contains objectives actions relating to b/d.	on erm	0 0 0	1 0	0 (0 0	0 0	0	0 0		Percentage of SSSIs in a favourable condition is an indicator used in the community strategy itself. A 'detailed' action plan for the environment is available if the LSP is contacted, but is not open to review online.	1 0	0 0	0	Limited treatment of cross- cutting themes.	1	0 (o	The strategy itself contains exceptionally little detail. Six much more detailed action plans have however been produced but are not available online. A vision for Carterbury is however available & this does include objectives & actions for bid.
55	Caradon District Council	South West	0 0	0 0	0 0 0	None of the above organisations appear to be represented on the LSP.	0 0	0	1 0	0	0	0 0 0	0 0	0 0	0 0	0 0	0	0 0	0		0 0	0 0	0	0 No treatment of cross cutting themes.	0	0		The Community Strategy, as it is available online, is 3 pages long. There is an objective relating to biodiversity, but due to the constraints of such a short document no further information is provided. No reference to LBAP. Overall very poor.

67	Chester-Le- Street District Council	North East	0 0	0		None of the above organisations are represented on the LSP board. Membership of the environment theme group is not made clear.	0 0	1	1 1	Even includes an objective to enhance b/d in residential areas, in the housing section of the report.	0 0	0 1	0 0		1 (0 0	The above target is found in the strategy itself & not in the associated Action Plan, which was not available online.		1 1	0	Commitment to improving the environmental performance of local business in order to improve competitiveness (unclear whether this includes impact on the natural environment/biodiversity however)	1 (o c		Clear, well-structured and detailed document. A number of biodiversity related objectives & actions are outlined, although most are concerned with planning rather than specific species or habitat related action. No reference to the LBAP.
68	Chichester District Council	South East	0 1	0	1 0 0	The Environment Agency (& CPRE) are represented on the LSP.	1 1	0	0 0	There is an environment section to the strategy but there is almost no reference to the natural environment or biodiversity.	0 0	0 0	0 0	0	0 (0 0	0 (0 0	0	0 0	0 0	0	There is little/no treatment of cross-cutting themes.	1 (0	Progress reported annually.	Fairly basic strategy, but with objectives, some broad actions & qualitative indicators for most themes. However whilst there is an environment section there is no reference to natural environment or bid issues. No reference to LBAP. Poor.
69	Chiltern District Council	South East	1 0	1	0 1 0	None of the above organisations are represented on the LSP steering group. The Buckinghamshire Nature Conservation Forum (LBAP partnership), however are (or are to be) involved in the environment sub-group.	0 0	0	0 0	1 There is an entire sub-section devoted to nature conservation. It provides a lot of detail on the current state of the environment and describes the existing partnerships & current projects for conservation, but does not set objectives/targets itself	1 1	0 0	0 0	0 0	0 (0 0	0 (0 0	Even though the LBAP partnership are identified as one of the key partners for the environment theme of the action plan, actions are entirely restricted to waste & transport.	1 0	0 0	0	Identifies 'young people' & 'old people' as cross-cutting themes.	1 (o c		Poorly structured strategy, Includes a sub- socition on conservation that describes the existing partnerships & projects contributing to bid protection in the region. However does not outline any objectives itself & action plan is restricted to waste issues
70	Chorley Borougi Council	h North West	0 1	0	1 1 0	The EA are represented on the LSP board. The Wildlife Trust are represented on the environment sub-group.	1 0	0	1 0	There is an objective/aim to protect the countryside. Other than this however there is very title reference to the natural environment. There are no action or targets specifically relating to b/d in the strategy.		0 0	1 (0	0 0	0 0	0 (0 0	0 very limited reference to the natural environment.	1 0	0 0	0	0	1 (0		Relatively brief & well presented document. However, there is very little treatment of the natural environment. There is an overall objective to protect the countryside, but there is not one specific reference to any bid, wildlife or habitat issue.
	Christchurch Borough Counc				0 0 0	The EA, English Nature and the Dorset Wildlife Trust are all members of the LSP. It is not clear however at which level they are represented.	0 0			Local implementation of the Dorset LBAP is an aim described in the strategy.	0 0	0 0							There is no associated action plan, but in the main body of the report there is a target to designate three new LNRs.		0 1		There is little/no treatment of cross-cutting themes in this strategy.	0 0		progress are included, but no formal process for either monitoring or review is outlined.	Simple, quite well presented document. Commits to biodiversity protection & enhancement. Refers to supporting the local implementation of the Dorset LBAP & has a target for LNR designation. Would be improved if further detail provided as to actions.
72	Colchester Borough Counc	East of ill England	0 0	0	0 0 0	No environmental bodies appear to be represented at any level in the LSP.	1 0	0	0 0	1 The treatment of 'natural environment' issues in the Community Strategy is limited to two statements in the vision for Colchester in 2020, that it will have 'enhanced its exceptional built & natural heritage' and have 'high quality parks and open spaces'.	1 1	0 0	0 0	0	0 (0	0 (0 0	There is no consideration of the natural environment in the action plan.	1 0	0 0	0	0	1 (o c	The Action Plan is reviewed and updated January and July each year.	Brief glossy pamphlet. Extremely limited coverage of environmental issues. Acknowledges that issues including protecting our environment's should be addressed, but states that the LSP has 'tried to be realistic'. & focus on issues not currently addressed.
75	Congleton Borough Counc	North West	0 0	0	0 0 0	O English Nature, The EA, The Wildlife Trust & the RSPB are not represented on the LSP, but are listed as lead partners in the environment section of the action plan.	0 0	1	0 0	The actual strategy itself makes very little reference to the natural environment and includes no biodiversity objectives. However, the action plan (which is built into the strategy itself) uses the term bid & includes bid specific actions & objectives.	0 0	1 0	1 (0 0	1 (0 0	0 (0 0	It does include a targets/indicator section, but the ones outlined for bid are not very specific. Actions for bid are outlined in the action plan. Outlines as a measure of success 'the need to address bid issues as part of the community plan'.	1 O	1 1	0	Recognition that partnership working is necessary to tackle complex and cross-cutting issues'; but no further treatment of linkages between themes.	1 1	1 0		Due to be adopted Mar 2003, although only the draft version is available online. Online version is not very clear, but updated version may have more consideration of dvG. Strategy itself very little consideration of b'd, but more in the action plan.
75	Corby Borough Council	East Midlands	0 1	0	0 1 0	The EA and the Wildlife Trust are identified as key partners for the environment section but are not formally members of the LSP.	0 0	0	1 0	0 The role of the WT in managing nature reserves is identified as an 'activity' in the env. section & the conservation of the natural env. is listed as an objective. However none of the targets or indicators (or objectives, directly) relate to biodiversity.	0 0	0 1	0 0	0	0 (0 0	0	0 0	0	0 0	0 0	0	Biodiversity is not highlighted as one of the factors in achieving the wider environmental priorities. There is not really any treatment of cross-cutting themes.	1 (0 0		Each section details priorities, activities, key partners, largets & evaluation measures thewever while the natural environment is mentioned there is very limited consideration of bd. Several other local plans are referenced but the LBAP is not.
76	Comwall County Council	y South West	1 1	0	0 1 0	The LBAP partnership, the Cornwall Wildlife Trust, the RSPB, English Nature & the Environment Agency are all listed as potential delivery partners for the biodiversity objectives.	0 0	1	1 0	The action plan is in-built into the strategy.	0 0	1 1	1 1	1	1 () 1	1	1 1	One of the headline actions in the action plan is to "Enhance biodiversity of Wildlife Sites (PSA target)". Excellent treatment of biodiversity, including actions & targets. LNRs are included as an indicator rather than target.	1 0	1 1	1	1	1 1	1 1		Excellent treatment of biodiversity. Recognition of its importance & strong commitment to its protection. Good recognition of the cross-cutting value of a high quality natural environment. Reference to LBAP & partnership. Many targets & actions outlined.
77	Corporation of London	Greater London	1 0	0	0 0 0	0	0 0	1	0 0	1	0 0	1 0	1 () 1	1 () 1	0 (0 0	More specific actions for biodiversity are outlined in the Corporation's local BAP but the community strategy does not. Since no LNRS, SSSIs etc. exist in the council's area there are obviously no references to these as targets.	1 1	1 0	0	Climate change is recognised as the one major environmental factor which can impact across different social agenda.	1 1	1 1		One of the best Community Strategies for biodiversity from a London council. The Local BAP in particular goes into further detail. The Strategy itself mentions biodiversity and set targets within the action plan.

	Cotswold District Council		0			0 The EA are represented on the LSP board.	0	0 1	1		Very good coverage of biodiversity issues. Reference to the LBAP, supporting it & monitoring the progress of its implementation.	0	0 1	1 (0	0	0 0	0		0 0	1	SSSIs and LNRs are both used as indicators in the action plan.	1 0	1	1 0		Recognition that the local environment 'underpins much of the local economy'.	1	0	0	Very detailed & well produced, 94 page long document. Very good coverage of the bid issues in the district & then outlines a commitment to the protection of wildlife & natural heritage. Actions include supporting the implementation of the LBAP.
7:	Coventry City Council	West Midlands	8 0	1 0	0 1 0	0	1	0 1	0	0 0	Single objective of "We will protect and improve our environment" with action of "Raise awareness in all sections of the community of their responsibility to sustain and improve the local environment and to encourage biodiversity". Action plan not yet out	0	0 0	1 (0	0	0 0	0 0	0	0 0	0	A single, vague action.	0 0	0	0 0	0		1	0	0	Another 'urban' strategy that sees the environment as something aesthetic rather than practical. It is all about perceptions. Actions are vagure and muddled.
81	Craven District Council	Yorkshire and Humber	0	0 0	0 0	0	0	0 1	1	1 0		0	0 1	0 0	0	0	0 0	1	0	0 0	0		0 0	0	0 1		Link the natural environment to tourism	0	0	0	Very glossy with little mention of biodiversity except for a target (which has no actions).
8	Crawley Borough Council	South East	0	1 1	0 0	The Sussex Wildlife Trust, the Environment Agency & the Sussex Blodwersity Partnership are all listed as partners of the LSP.	9 1	1 0	1	0 1	The vision/aim set out in the environment section could broadly be understood to include the protection of the natural environment. However in truth there is very little treatment of bid or natural environment in this strategy (partly due to its format),	0	0 0	0 0	0	0	0 0	0 0	0	0 0		Detailed action plans for four of the six themes were produced in February 2004. The action plan for the environment has not yet been produced/published.	0 0	0	0 0		There is little/no treatment of cross-cutting themes.	1	0	0	Presented as a very basic Vision' document & therefore contains very little detail. There is no specific reference to bid or native environment in the strategy itself. The development of a detailed action plan (as for the other themes) may rectify this.
8:	Crewe and Nantwich Borough Council	North West	0	0 0	0 0 0	None of the above organisations are represented on the LSP steering group.	0	0 0	0	0 0	The strategy, as it is available online, has no section on the environment. However there is reference to an environment section & the annual report refers to bid & environment objectives. It is therefore potentially much better & just not available online	0	0 0	0 0	0 0	0	0 0	0 0	0	0 0		No action plan available online.	1 1	0	0 0	0		1	0	O No formal monitoring or review process is outlined.	Original strategy (1999) one of the 1st in country. The version currently available online has practically no consideration of the environment at all, let alone be til susus. The environment section may however be being developed. At present very poor.
8:	Croydon London Borough Council	Greater I London				Wildlife Trust and Environment Agency representative		0 1	1	0 0	No specific action plan though there are aims and some targets but generally slightly vague, i.e. maintain or increase the area of certain valuable habitat types.		0 0	1 1			0 0					Though there are often no specific targets, there are general aims. Specific members of the council are named as being responsible for their implementation.	1 0	0	0 0			1		council themselves.	The strategy does pay some attention to biodiversity. However, there are only two formal targets - access to greenspace and overall area of chalk grassland etc. There are vague targets focused on wildlife management and a local BAP is to be produced.
8	Dacorum Borough Council	East of I England	1	0 1	1 0	The Dacorum Environmental Forum are the lead partner for the environment theme of the Community Strategy. Along with the borough council & the local wildlife trust they are also members of the LBAP partnership.		0 1	1	1 0	There are no specific biodiversity targets, but one of the indicators of their success in achieving the environmental objectives will be 'monitoring local biodiversity'.	0	0 0	0 1	0	0	0 0	0 0	0	0 0	0		1 1	0	1 0		The strategy includes a section entitled 'cross-cutting themes.' The environment is not formally recognised as a cross cutting theme, although some sections such as 'meeting housing need' recognise the need to protect the environment.	1	1	Forum are responsible for monitoring and reporting on environmental (and	A well structured and clear document. The environment, including biodiversity, is recognised as a priority issue and reference is made to the LABP. It would however benefit from specific actions being detailed.
81	Darlington Borough Council	North East	0	1 0	0 0	The Environment Agency are identified as a key partner to this strategy/the LSP.	0	0 1	1	1 1		0	0 1	0 0	0	0	1 0) 1	1	0 0		LNR's & habitat action relevant to the LBAP are outlined as indicators (no targets are described) in the strategy itself. The Action Plan details a target for wetland habitat creation. Actions are detailed in the Action Plan not the strategy itself.	1 1	1	1 1	0		1	0	0	Clear, well-structured, readable & detailed document. Good treatment of buddversity issues including objectives, actions & targets. Good treatment of cross-cutting issues. Commitment to implementation of LBAP targets.
8	Dartford Borough Council	South East	0	0 0	0 0 0	None of the above organisations appear to be represented on the LSP (Groundwork Kent Thameside appear to be the only broadly environmental group represented).	0	0 1	1	0 1	Does include objectives & actions relating to b'd. However none of the strategic targets set out in the relate directly to b'd. Action plans are to be developed.	0	0 0	1 (0	0	0 0	0	0	0 0	0		1 0	0	1 0	0		1	0	o	Joint community strategy with Gravesham Borough Council. Does refer to 'using the highest standards of conservation & design within the context of a BAP' & does include actions for open space & habitat protection, but still quite limited treatment of bid.
81	Daventry District Council	t East Midlands	0	0 0	0 0 0	The Countryside Agency are a member of the LSP board, but none of the above organisations are.	0	1 0	1	0 0	Safeguarding green space is part of a wider environmental objective, but there is otherwise no mention or biodiversity/wildfile protection. None of the targets refer to biodiversity.	0	0 0	0 0	0	0	0 0	0 0	0	0 0		There is no reference to an Action Plan.	0 0	0	0 1		Access to a healthy and attractive outdoor environment recognised as having health benefits, but there is no other treatment of cross-cutting issues.	1	0	number of targets and criteria for monitoring progress and so	Poor. The main body of the document is actually very brief. Like several others it commits to the protection of the environment & refers to green space protection. However, there is no direct reference to biodiversity or wildlife at all.

Authority Number		Authority Region	Q 1.1	0 1.3	Q 1.4.2 Q 1.4.3	Q1 Comments	0 2.1	0 2.3	Q 2.4	Q 2.6	Q2 Comments	Q 3.1	Q 3.3	Q 3.5	Q 3.6 Q 3.6.1	Q 3.6.2	Q 3.6.3	Q 3.6.5	Q 3.6.6	Q 3.6.7 Q 3.6.8	Q3 Comments	0 4.1	0 4.4	Q 4.5	9. Q4 Comments O	Q 5.1	Q 5.2	Q5 Comments	Overall Comments
90	Derby City Council	East Midlands	0 1		0 1 0	The Environment Agency & the Wildlife Trust both sit on the environment theme group.	. 0	0 1	1	0 1		0 0	0 1	1 0	0 1	1 1	0	0 1	0	0 (Reference to the protection of species and habitats according to the 'Derby Biodiversity Greenprint'.	0 0	0 1		There seems to be little formal treatment of cross-cutting issues.	1	0	0	Very detailed community strategy, with a good treatment of the natural environment, as part of the promotion of Derby as an 'Environment City'. Objectives, actions & targets are identified & there is a link to both the LBAP & a 'biodiversity greenprint'.
91	Derbyshire County Council	East Midlands	1 1	0 1	0 0	English Nature & the Environment Agency are members of the LSP for Derbyshire.	0	0 0	1	1 0	The term blodiversity is not used, however the strategy does refer to the 'diversity of wildlife'.	0 0	0 0	1	0 (0 0	0	0 1	0	0 (There is no Action Plan, but the strategy itself identifies as target an increase in the number of LNRs'.	1 0	0 1	0	1 An objective of the 'lifelong learning & culture section' is top expand the 'environmental economy', & there is recognition of cross culting issues, without including a formal mechanism for their treatment within the strategy.	1	1	1	Overal a good treatment of the natural environment & recognition of buddwestly issues. However concentrates mainly on what has been already achieved & Outlining broad priorities, without specifying many actions for the future.
92	Derbyshire Dales District Council	East Midlands		0 1		English Nature are a member organisation of the LSP.	0	0 0	1	0 0		0 0	0 0	0 0	0 (0 0	0	0 0	0	0 (The strategy outlines a number of 'actions', however the 'actions' relating to biodiversity really reflect objectives and not specific actions that will be undertaken.	0 0	0 1	0	Recognition that the area's 'rich wildlife' contributes to the economy, but no formal recognition of the cross- cutting nature of themes.	1	0	0	Relatively short document. Recognition of the value of the area's rich diversity of wildlife & describes, as a case study, projects relater to the LBAP. However, the treatment overall is quite brief & it would benefit from the provision of an Action Plan.
93	Derwentside District Council	North East	0 1	0 (0 1 0	The EA and the Durham Wildlife Trust are listed as two of the key partners in the environment section. It is not clear whether the LBAP partnership or other environmental organisations were involved.	0	0 1	1	1 0	Very good consideration of blodiversity.	0 0	0 1	1 1	0 (0	0	0 0	0	0 (1 1	1 0	1	It is recognised that a high quality environment helps to attract new business to the region, but it is not really included as a factor in achieving economic development priorities.	1	0	0	Very detailed, 94 page long, document, with a very good treatment of bloddversity. Includes as an objective the implementation of the LBAP, details many specific actions, outlines targets and describes potential outcomes.
94	Devon County Council	South West	0 1	0 1	0 0	1 The Environment Agency is represented on the LSP steering group. The EA, along with English Nature and the Devon Wildlife Trust, are also represented on the partnership forum. The LBAP partnership is not formally referred to.		0 1	1	0 1	It has an in-built action plan.	0 0	0 1	1 1	0 0	0 1	0	0 0	0	0	Percentage SSSIs in a favourable condition is used as an indicator/target for measuring progress against b/d objectives.	1 0	1 1	0	Good treatment of the link between environment and the economy.	1	0	0	Detailed 116 page long strategy. Good treatment of biodiversity & the natural environment, including objectives, actions & targets. Good treatment of cross-cutting themes. However, no reference to the LBAP.
95	Doncaster MBC	Yorkshire and Humber	1 0	1 1	0 0		0	0 1	1	1 1		0 0	1 1	1 1	0 1	1 0	0	0 1	0	0	1	1 0	0 0	0	0	1	1	1	A strong strategy with clear targets and objectives. The inolvement of the local sustainability group (inc EN rep) is evident.
96	Dorset County Council	South West	0 0	0 (0 0 0	None of the above organisations are on the main list of partners for the LSP, but it is noted that many more than the ones listed have contributed to the community strategy.		0 1	1	0 1		0 0	0 1	1 0	0 1	1 0	0	0 0	0	1	1 Targets are not quantified, but actions/objectives relating to every target in the list above are described. It is intended to reverse the decline in farmland & woodland birds & improve access to greenspace. Excellent bid coverage (in strategy not A.plan)	1 1	1 1	1	Relevance of biodiversity/natural environment to social issues/quality of life well treated.	1	0	0	Excellent. Very detailed, but well structured & presented strategy. Describes actions objectives relating to every target in the list including SSSTs, LNRs, farmland brids; links to the LBAP & recognises the importance of ecological processes/networks.
97	Dover District Council	South East	0 1	0 (0 0 0	1 The EA, English Nature and the Kent Wildlife Trust are all represented on the wider partnership strategy forum, but none of the above are represented on the LSP itself.	0	0 1	1	0 1		0 0	0 1	1 0	0 0	0 1	0	0 1	0	0 (The Action Plan outlines two actions/targets for biodiversity.	0 0	0 1	0	Little/no treatment of cross- cutting themes.	1	0	0	Brief and not very detailed strategy. However does include objectives, actions and targets for biodiversity & does refer to the LBAP. Overall good commitment to b'd, but more detail needed.
	Dudley MBC	West Midlands					1		0		There are no specific targets for biodiversity: just 'the environment' and 'heritage'	0 0	0 0	0 0	0 (0 0	0	0 0	0	0 (0	0 0	0 0				0	0 Currently under review	Very 'urban' focus. While 'the environment' is discussed, it is never clear whether this includes biodivesity. Subsequent 'acomplishments' reports mention SSSIs and LNRs, but not in relation to any targets or objectives.
99	Durham City Council	North East	0 0	0 (0 0 0	It is not clear whether any of the above organisations have been represented on the LSP. It appears that the position of LSP policy developer is vacant at present & this may explain why there has been no evident progress since the draft was published.		0 0	0	0 0		0 0	0 0	0	0 0	0 0	0	0 0	0	0 (0	0 0	0 0	1	Enhancing the environment is included as an action necessary to achieve both economic and social development priorities.	1	0	0	Short document, with very title detail on any appear of the strategy. Whilst this is likely due to the fact that it is only a consultation draft, there is little to suggest that the natural env. or bid will be treated in any more depth in the final plan.
101	Ealing London Borough Counci	Greater il London	0 0	0 (0 0	Friends of the Earth sit (or did sit) on the LSP.	0	0 1	0		Lip service is paid to the council's local BAP. Otherwise it is focused much more on green spaces such as parkland.	0 0	0 0	0	0 (0 0	0	0 0	0	0 (0	1 0	0 0	0	0	0	0	0 None of the above.	The Strategy document itself provides very little in the way of guidance or targets for biodiversity. However, the council's local BAP is very detailed and has specific actions to be undertaken to safeguard species and habitats within the borough.

102 Eas Dis	sington strict Council	North East	0 0			None of the above organisations appear to be represented on the LSP. They may be represented at environment theme group level as the membership of this group is not made clear, apart from the chair, who represents Groundwork.	0	0 0	1	1 0	The strategy refers to wildlife diversity, but does specifically employ the term biodiversity.	0 0	0	1 0		0 0		0 0	0		Increased area of SSSI's is listed as a target in the strategy itself, not the action plan.	0 0	0	0 0	0 0	There is little treatment of cross-cutting themes	1	0	Will be monitored on an annual basis & there will be a mid-term review.	This is a relatively brief document, with little treatment of cross-cutting issues. However, it adoes attach quite a lot of significance to environmental protection & does describe bot objectives, actions & targets. No reference to LBAP.
103 Eas Car Dis	st mbridgeshire strict Council	East of England	0	1 0	1 0 0	The Environment Agency sit on the ECSP board (as do the Local Agenda 21 Action Group), but there is no mention in the plan of the LBAP partnership.	1	0 0	1		There is no distinct 'Environment' section although there is a sub- section (entitled' increase accessibility and enhancement of the countryside for healthy walking, cycling and informal recreation'), which does contain a biodiversity related objective	1 0) 1	1 0	0 (0 0	0	0 0	1	0 (0	0 0	0	0 0	0 0		1	0	There is to be an annual report on progress against targets set in the action plan	There is no distinct 'environment' section within the strategy, although there is one objective/larget relating to biodiversity: to increase the % of county wildlife sites in fravourable condition. However no action or lead organisation is specified.
	st Devon strict Council	South West	0	1 0	0 1 0	None of the above organisations participate on the main body of the LSP. The Devon Wildlife Trust, the RSPB & English Nature are lead partners for actions in the environment section.		0 1	1	0 1		0 0	1	1 1	0 0	0 1	0	1 1	0	0 (0	0 0	0	1 0		Little treatment of cross- cutting themes, although does briefly mention that there is a link between 'the countryside & the local economy'	1	1		Generally quite good treatment of biodiversity issues. Reference to the development of an LBAP for East Devon & includes a number of actions, targets & objectives for biodiversity. Little treatment of cross cutting themes however.
	st Dorset strict Council	South West	0	1 0	0 1 0	The EA, English Nature, the RSPB & the Dorset Wildlife Trust are all lead partners for actions in the environment section, although the full membership of this theme group is not made clear at any point.	0	0 1	1	0 1		0 0	1	1 1	1 1	1 1	0	0 1	1	0	I Listed as a 'target' in the action plan is to 'support initiatives to further protect all designated sites (including. SSSIsLNRs, SNCIs.) but this is not quantified. Also a 'target' to 'consolidate fragmented nature conservation sites'.	1 0	1	1 1		There is an objective to introduce planning policies that recognise and support East Dorset's unique environment for both the local economy and the well being of the community. No formal mechanism for the treatment of c-c themes is included however.	0	0	0	Overall not very well structured, feeling as if six separately developed theme documents have simply been bolted together. The environment section does however provide a (very) good treatment of bid, especially in the action plan. Commits to LBAP.
	st Hampshire strict Council	South East	1	1 1	0 1 0	1 None of the above organisations are represented on the LSP steering group, but the EA, EN & the Hants Widdlie Trust (HWT) are represented on the wider partnership. The East Hants Bloddversity Partnership & HWT are lead partners for bid objectives/actions		0 1	1		There is an in-built action plan, but this actually forms the main body of the strategy itself.	0 0) 1	1 1	0 (0 0	0	0 0	0	0 (0	0 0	0	1 0		Little/no treatment of cross- cutting themes.	1	1	1	Reasonably detailed. Good treatment of bid & the natural environment. Outlines objectives & actionstargets. Commits to the implementation of the East Hants LBAP (& indeed the LBAP it leaf refers back to the community strategy).
		East of England	0 (0 0	0 0 0	None of the above appear to be represented in the LSP, atthough the council (who are listed as the organisation responsible for developing an LBAP for East Herts) are represented.	0	0 1	1	1 1		0 0) 1	1 1	0 (0 0	0	1 0	0	0 (The 'specific action' referred to above is the implementation and adoption of the Herfordshire LBAP. A LBAP for East Hertfordshire is to be produced.	1 1	1	1 1		Cross cutting themes are recognised. These are social inclusion, sustainability & technology. The environment is formally considered to be a key priority rather than a cross- cutting theme, however its relevance to social development issues is recognised.	1	1	O The Action Plan is reviewed every 3 years.	A well structured and clear document with associated action plan. Good treatment of the natural environment and recognition of cross cutting themes. Blodwersity appears to be a key issue, and there is reference to the LBAP.
	st Lindsey strict Council	East Midlands	0	1 0	1 1 0	English Nature, the Environment Agency & the Lincolnshire Wildfile Trust are all members of the environment theme group; English Nature are also represented on the assembly and the Environment Agency were represented on the initial working group,	0	0 1	1		The protection of East Lindsey's natural heritage is an aim of the strategy Biodiversity is a term included in the glossary, but is not actually referred to in the main body of the strategy.	0 0	0 0	0 0	0 (0 0	0 1	0 0	0	0 (The Action Plan is not yet available (online). No actions specifically related to biodiversity are identified, but these may be identified within the Action Plan, when it is published.	1 1	1	0 0		Quality of the environment is listed as a cross-cutting theme.	1	0	0	Adopted 21/09/2004. Lengthy, detailed & well structured report. Good freatment of cross-cutting themes & well established review process. Consideration of the natural environment, but little in terms of action specifically aimed at conservation of bid.
	st rthamptonshir District Counci		0	1 0	1 1 0	O The Environment AGency are a partner in the LSP, and they are also, along with the local Wildlife Trust, a member of the environment working group.	0	0 0	1	1 1	Associated	0 0	0	1 1	0 (0 0	0	0 1	0	0 (The establishment of 3 LNRs in 2004 is one of the targets outlined in the strategy (Action Plans not available online).		1	1 0		The EA and the Wildlife Trust are listed as key partners for the environment section of the strategy.	1	0	0	Clear and well presented document, with a good section on the environment. Includes actions and targets for biodiversity, and more may be specified within the separate Action Plans. No reference to LBAP however.
	st Riding of rkshire	Yorkshire and Humber	1	1 0	1 1 0	0 LSP is responsible for the LBAP	0	0 1	1		Annual update provide the bulk of the information and monitoring	0 0	1 (0 0	0 1	1 0	0	1 0	0	0 (0	1 0	0	0 1	C		1	0	1 Annual updates on progress	Initial plan v basic but update provide far greater detail

112	East Sussex County Council	South East	1 1	1 1	1 0	1 None of the above organisations are key partne of the LSP. However the Sussex Biodiversity Partnership is one of the lear partnerships for the environment theme & EN, the EA, the RSPB & the Wildlife Trust are all represented on the wider partnership.	rs	0	1 0		Identifies the 'enhancement of biodiversity' as an issue that needs to be addressed, but does not actually specify an objective relating to bid protection or enhancement.		1 1	0	0 0	1	0 0	1	0 0	1	Despite there being no objectives for bid, there is an action for bid. Area of LNRs, condition of SSSIs, populations of wild birds & plant diversity are all used as indicators, but no targets are set.	1 0	0 1	0	0	1	0	0	Good treatment of bid. Identifies the enhancement of bid as a priority issue, but does not specify any bid objectives. A bid action is described & bid indicators are listed but no targets are set. BAP partnership is involved but there is no link to LBAP.
113	Eastbourne Borough Counci	South East	1 1	1 (1 0	None of the above organisations are formally represented on the main bod of the LSP. The Environmen Agency and the Sussex Biodiversity Partnership are however identified as lead partners for the environment theme.	y -	0	0 1	0 1		0 0	1 1	1	0 0	1	0 1	0	0 0		There are actions and targets relating to the conservation of the 'nationally important shingle habitat' in the action plan.	1 0	0 1	0	0	1	1	0	Detailed strategy. Maintaining the high quality natural environment is dentified as a priority & objectives for this are set out accordingly. Outlines specific actions & targets relating to the & links to both the BAP partnership & the LBAP liself.
114	Eastleigh Borough Counci	South East	0 0	0 0	0 0	None of the above organisations are represente on the 'core membership' of the LSP, although the wider membership is not clear.		0	1 1		As part of the broad aim/vision outlined for the environment, the natural environment is to be valued and respected. Biodiversity is also identified as an issue in this section. However none of the targets or actions relate to b/d.	0 0	0 0	0	0 0	0	0 0	0	0 0	0		0 0	0 1	0	Biodiversity is recognised as an issue in the environment theme but none of the actions/targets commit to protecting or enhancing it. There is little formal treatmen of cross-cutting themes (but there is in the draft strategy).	t t	1	0	Overall the strategy is relatively detailed, outlining aims, actions & targets for a numbe of themse. However the environment section is poor, with very limited treatment of bid. Few env. organisations appear to be involved & there is no reference to LBA
	Eden District Council	North West	0 1			The English Nature Cumbria Team is represented on the LSP (although not it is not 100% clear at what level, but appears most likely to be at theme group level). It is also believed that they have joine relatively recently.	it	0	0 0		Whilst it is recognised that the area is one of the most attractive and unspoilt parts of the country & thus there is a need to conserve and enhance this, there is no reference specifically to bid, flora or fauna.	0 0	0 0	0	0 0	0	0 0	0	0 0		The Action Plans are under development and not yet available online.	1 0	1 0	0	Little recognition of cross- cutting themes.	1	0	0	Joint Community Strategy with Carlisle City Council. Very poor treatment of bid issues. Vague commitment to the protection/einhancement of the natural environment but in omention of flora or flauna. No actions specified. No reference to LBAP. Poor.
116	Ellesmere Port and Neston Borough Counci	North West	0 0	0 0	0 0	None of the above organisations are represente on the LSP.	d 1	0	0 0		The community strategy itself does not outline any objectives, actions or targets. It merely identifies the key topic areas & describes the community strategy process, but does not provide any further detail on the plan for each theme.	1 0	0 0	0	0 0	0	0 0	0	0 0		The only natural environment related objective/action is idevelop & improve existing parks and open spaces for their recreational, educational and environmental value for the benefit of the community. There is no other reference to bid, flora or fauna.	1 0	0 0	0	0	1	0	0	Very poor document. Strategy itself merely outlines the key theme areas, but provides no further detail on objectives etc. The action plan has very little treatment of the natural environment, & does not consider bid.
117	Elmbridge Borough Counci	South East	0 0	0 0	0 0	None of the above organisations are represente on the LSP board. Membership of theme group or a wider forum is not clear.	d	0	0 1	0 0		0 0	0 0	0	0 0	0	0 0	0	0 0	0		0 0	0 0	0	May deal with cross-cutting themes in the introduction, but this could not be viewed online. Otherwise little/no treatment of cross-cutting themes.		0	0	Due to website problems, the introduction to the strategy could not be viewed. It is a fairly basic document however, setting out objectives & a few broad actions, without providing much detail. No reference to LBAP Would benefit from an action plan.
118	Enfield London Borough Counci		0 0	0 0	0 0	None of the above.	0	1	0 0	0 0		0 0	0 0	0	0 0	0	0 0	0	0 0	0		1 0	0 0	0	0	1	0	Annual review of the LSP but no mention of biodiversity monitoring.	The strategy generally has very little mention of environmental issues and tends to be totally in terms of greenspace and the appearance of the borough.
119	Epping Forest District Council	East of England	0 0	0 0	0 0	There do not appear to be ar of the above organisations o the local strategic partnership	i	0	0 1		Whilst not mentioning the term blodiversity, there is an objective to 'enhance the extensive, attractive and valued network of large and accessible outdoor areas for the benefit of people and wildlife'. Action plan to be produced but not yet available.	0 0	0 0	0	0 0	0	0 0	0	0 0	0	The Action Plan is not yet available online.	0 0	0 1	0	The term biodiversity is not used. However, the first objective in the environment section concerns habitat enhancement for the benefit of people and wildlife.	1	0	To be reviewed annually. Seen as a living document.	Recognises the importance of district's yleasant countryside with a wealth of flora and fauna', and the need to protect this. Does not however provided any reference to the LBAP and lists very few specific actions listed that will benefit biodiversity.
	Epsom and Ewell Borough Council	South East	1 1	1	0 0	The Epsom and Ewell Environment Forum are represented on the LSP boa and are also in the process of developing an LBAP for the borough. The Wildlife Trust are listed as a partner on some actions.	rd	0	1 1	0 1		0 0	1 1	1	0 0	0	0 1	1	0 0		There is an action/target to sponsor three further wildlife gardens in schools. Commitment to further LNR designation. Reference to implementation of BAP, habitat and species action plans by 2008.	1 0	1 1	0	O	1	0	0	Detailed strategy. Good treatment of bid issues. Strong commitment to bid protection & enhancement, detailing a number of specific bid actions & targets. Also commits to the implementation of an LBAP.
121	Essex County Council	East of England	1 1	1	0 0	some actions. O The Essex Biodiversity Partnership, the Essex Wildlife Trust and the Environment Agency are all represented as members of the Essex Partnership.	0	0	0 1	0 0		0 0	0 0	0	0 0	0	0 0	0	0 0		plans by 2008. Whilst it is an objective to conserve and improve important habitats for wildlife and halt the decline of habitats and species recognised as important within the county no actions are specified. There is no separate action plan	1 0	1 0	1	0	0	0	Old formal monitoring and review process is not outlined in the Community Strategy or on the Essex Partnership website.	Protecting Essex's natural environment is a key theme in this strategy. There is however little evidence of how the biodiversity objectives will be achieved.

	Exeter City Council	South West	1 1	1		O The Devon Biodiversity Partnership is identified as the key partnership for the environment themed section. There is a link to the Devon LBAP. The EA & the Wildlife Trust are also represented on the main body of the LSP.		0 1	1	0 1		0 0	1	1 1	0		0				0 The target/action is to develop & implement an LBAP by December 2003.	1 1	1 1	1 1		Good treatment of cross- cutting themes.	1	0	Partnership is responsible for	Detailed strategy with a good treatment of biodiversity & the natural environment. Good treatment of the links to other themes. The LBAP partnership are involved and an LBAP for Extert itself is to be developed & imp
124	Fareham Borough Counc	South East	0 0	0	0 0 0	None of the above organisations are represented on the LSP.	1	1 0	0	0 1	An action plan is to be developed.	0 0	0	0 0	0	0 0	0	0 0	0	0 0	0	0 0	0 0	0 0	0	Little/no treatment of cross- cutting themes.	1	0	Progress to be monitored annually.	8 page long, glossy pamphlet. Contains no real detail. Includes a broad commitment to the protection of, & improvement to, the urban and rural environment. No reference to biodiversity. May be improved if action plans are developed. Very poor.
	Forest Heath District Council		0 1	0	0 1 0	The Environment Agency and the Suffolk Wildlife Trust are to be involved in the delivery of biodiversity objectives.	0	0 1	1	0 1		0 0	1	1 1	0	0 1	0	0 0	0	0 (0	0 0	0 1	1 1		Recognition that 'environmental factors' are partly responsible for a person's state of 'health and well-being'. However no formal treatment of the cross-cutting nature of themes.	1	0	0	This is a combined Community Strategy for Forest Heath, St. Edmundsbury & part of Babergh and Mic-Suffolk districts. Outlines a commitment to the protection & enhancement of biodiversity, but does not refer to the LBAP.
	Forest Of Dean District Council			0		The Gloucestershire Wildlife Trust is represented on the LSP board.		0 1		1 0			0		0			1 0	0	0 (The strategy does included targets/indicators for biodiversity, however many of these are not quantifiable.		0 0			Recognition that themes are cross-cutting but very little formal treatment of this issue.	0	0	0	Detailed strategy with a very good coverage of natural environment & bid issues. Commits to the bid protection & enhancement & refers to the implementation of LBAP priorities. Could provide more detail on specific actions/targets, however.
	Fylde Borough Council		0 0	0		The membership of the LSP & the theme groups could not be determined.			1		There is to be an associated environment action plan, but it is not, at present, available online.	0 0	0					0 0	0	0 (0	1 0	1 1	1 0		Recognition that the natural environment is vof 'great value to the community and economy of the area'.	1	0	0	Relatively short document, but with a good overall commitment to biodiversity protection & enhancement. However no actions or targets are outlined, and therefore development/publication of more detailed action plans is important.
	Gateshead Metropolitan Borough Counc		1 1	0		The EA, English Nature and the LBAP partnership are all represented at the environment theme group level.		0 1	1	1 0		0 0		0 0		0 1		0 1			O Area of LNR per head of the population is included as a target/measure of success in the strategy itself.	1 1	1 1	1 1		Good treatment of cross- cutting themes.	1	0	0	Lengthy & very detailed document. Detailed section on the environment & outlines a commitment to, and objectives for, biodiversity. Would benefit from the inclusion of specific actions (action plan).
130	Gedling Boroug Council	h East Midlands	1 (0	0 0 0	O Specific reference is made to working with the LBAP partnership to manage improvements in the borough. However, none of the above organisations are full members of the LSP & it is not made clear whether or not they have been consulted at any stage.		0 1	1		The strategy specifies several bid objectives & actions. The strategy includes targets for measuring progress, however none relate to bid.	0 0	0	1 1	0	0 0	0	0 0	0	0 (There does not appera to be an associated Action Plan.	1 0	0 1	1 1		Natural Environment recognised asbeing a factor in the achievement leisure and quality of life aims	1	0	0 Progress monitored annually.	Quite lengthy but generally good document, with a good treatment of biodiversity. A number of biodiversity actions are outlined, which will help to achieve the overall bid & environmental aims. No targets are however specified (& there is no action plan).
	Gloucester City Council Counci	il	0 1	0		0 The EA is one of the LSP members.		0 0			Objective to 'protect and increase the diversity of wildlife habitats in the city'. There are targets/actions in the strategy, but none relate to b'd. Action plans to be produced but not yet available online.	0 0	0	0 0	0	0 0	0	0 0		0 (1 1	1 (0 0	0		0	0	0	Overall quite brief & basic treatment of issues. Very basic treatment of natural environment, with a single objective relating to bid. No bid actions or targets & no reference to LBAP.
	Gloucestershire County Council		0 1	1	1 0 0	The Environment Agency and th County Biodiversity Partnership are both members of the LSP.	0	0 1	1	1 0		0 0	0	1 0	0	0 0	0	0 0	0		O A measure of progress is that the LBAP will have been implemented, & this implies that its implementation is a priority action	1 0	0 1	1 0	0		1	0	0	Very much a 'framework' document - it sets out the main priorities & objectives for action within the county, without providing too much detail. Still has a good coverage/commitment to bid & may be even be improved further if action plans are produced.
	Gosport Borough Counc	South East	0 1	0	0 0 0	None of the above organisations are represented on the LSP steering group. The Hampshire Wildlife Trust are one of the partners for one of the bid actions.	0	0 0	1	0 1	There is an objective to improve open spaces and natural habitats of the borough'.	0 0	0	1 0	0	0 0	0	0 0	0	0 (O There are bid actions outlined in the action plan. However these actions mainly relate to improving access to & awareness of, greenspaces and wildlife in the borough rather than physical habitat improvement or species protection.	1 1	1 (0	0		1	0	0	Detailed. The strategy sets out the context to each them & identifies the main issues. Actions & objectives are outlined in the associated action plan. Reasonable level of commitment to bid, but no reference to LBAP & could describe more bid actions.
134	Gravesham Borough Counc	South East	0 0	0	0 0 0	None of the above organisations appear to be represented on the LSP (Groundwork Kent Thameside appear to be the only broadly environmental group represented).	0	0 1	1		Does include objectives & actions relating to bid. However none of the strategic targets set out in the relate directly to bid. Action plans are to be developed.	0 0	0	1 0	0	0 0	0	0 0	0	0 (0	1 0	0 1	1 0	0		1	0	0	Joint community strategy with Dartford Borough Council. Does refer to 'using the highest standards of conservation & design within the context of a BAP' & does include actions for open space & habitat protection, but still quite limited treatment of b/d.

13	Great Yarmouth Borough Counci		0 1		1 0	The Environment Agency, English Nature and the Norfolk Wildlife Trust are all represented on the Environment sub-group of the LSP.		0 1	1		The Community Strategy sets out as an objective the protection of wildlife and natural habitats. It also sets as a target that several designated wildlife sites in the district will still retain their intermational significance in 2020.	0	0 0	1 1	0 0	0	0 0	0	0 0	0	The part of the strategy termed the 'action plan' actually details the short term delivery of the revised 'vision'. Tasks include establishing a baseline against which to measure progress & therefore does not include targets for biodiversity at present.	0 0	0 0	0	0		0	0	The monitoring and review process is still to be finalised, but will likely be implemented in the near future.	Takes the form of a vision statement. It sets out specific objectives for the protection's enhancement of local biodiversity and sets largets against which progress can be measured.
	Greenwich London Borough Council		0 0			0 None of the above	0	1 0	0				0 0 0					0	0 0	0		1 0			0		0	0	0	This is a brief document without an associated action plan and with very few quantitative targets for the council. Biodiversity is not mentioned and very little is made of green space either.
13	Guildford Borough Counci	South East	0 0	0 0 0	0 0	O None of the above organisations are represented on the LSP (the Guildford Environment Forum is, but none of the above organisatiosn appear to be represented on this forum).	1	1 0	0		Nature conservation is identified as an issue arising from the public consultation, but there is no further treatment of the issue. No b/d objetcive or actions are specified.	0	0 0 0	0 0	0 0	0	0 0	0	0 0	0		1 0	0 0	0	0		0	0	0	The community strategy, as it is available online, is really a summary of existing projects & partnerships. It sets out few fixed objectives or targets for the future. Poorly structured & a v. poor coverage of the natura env. No specific reference to b/d
13	Hackney London Borough Council	Greater London	0 0	0 0	0 0	0 None of the above.	0	0 1	1	0 1		0	0 1 (0 0	0 1	1	0 0	0	0 0		There are few specific targets but there is reference to best practice in management of the existing bloodiversity and to the local BAP.	1 0	1 0	0	0		1	0	0	The strategy touches on biodiversity to a small degre, for instance it has a target of maintaining habitats for biodiversity and increasing area of woodland habitat. However, there are no quantitative targets nor a detailed assessment/feedback process.
13	Halton Borough Council	North West	0 0	0 0	0 0	None of the above organisations are represented on the LSP board.	0	0 1	1		There is not a dedicated environment section. However one of the targets listed in the 'promoting urban renewal' section is the 'delivery of the LBAP in 2003 - 2010' & another section has the objective 'bring about environmental improvements'	0	0 0 0	0 1	0 0	0	0 0	0	0 0		The Action Plan descibes in much more detail the opportunities for environmental & bid enhancement/protection, but does not commit to any specific objectives, actions or targets for bid.	1 0	1 1	0	sustai princip	treatment of nability as a guiding sle biodivesity is nised as a factor.	1	0	O Progress to be reported each year.	Not a particularly well structured document. No dedicated environment section & very little actual treament of the natural environment or bid issues. Does use the term bid, and does refer to the implementation of an LBAP, however.
14	Hambleton District Council	Yorkshire and Humber	0 1	0 0	1 0	0	0	0 1	1	0 0	improvements	0	0 0 0	0 0	0 0	0	0 0	0	0 0	0		0 0	0 0	1	1		1	0	Uses annual monitoring reports (but they could not be found)	Very glossy but, while discusses the important of the natural environment fails to address this in any of its objectives.
14	Hammersmith and Fulham London Borough Council	Greater London	0 0	0 0	0 0	0 None of the above.	0	1 0	0	0 1		1	1 0 0	0 0	0 0	0	0 0	0	0 0		The only targets and indicators given are for hectarage of greenspace in the borough.	1 0	0 0	0	0		1	0		There is no mention made of biodiversity, nor any targets or aims given for this topic other than area of greenspace.
14	Hampshire County Council	South East	1 (0 0	0 0	0 The Environment Agency are represented on the LSP.	0	0 1	1		Does not really outline any clear-cut objectives, but does describe a broad commitment to biodiversity protection. There are no actions or targets specifically relating to biodiversity.	0	0 0 0	0 0	0 0	0	0 0	0	0 0	0		1 0	1 1	1	cross- quality import the so section	ent recognition of the cutting benefits of a ratural environment, its ance recognised in both cial & economic ns. Cross cutting b/d s are described & the partnership is involved.	1	1	0	The strategy document sets the context for each thema & identifies the main issues. Current projects actions are described but few objectives, actions or targets are outlined. Nevertheless, good treatment of bid. & excellent on cross-cutting themes.
14	Harborough District Council	East Midlands	0 0	0 0	0 0	It would appear that none of the above organisations are members of the LSP or any of the theme groups.	0	0 0	1	0 1	There is a section under each theme entitled 'Action Plan'. It is not however very detailed.	0	0 1 (0 1	0 0	0	0 0	1	0 0	0		0 0	0 1	0		al treatment of cross- themes.	0	1	0	This strategy provides only a very brief treatment of the key themes. It does, however, include a biodiversity related target increase the number of Local Nature Reserves to 5, by 2010.
14	Haringey London Borough Council	Greater London	0 0	0 0	0 0	0 None of the above	0	1 0	0	0 1		0	1 0 0	0 0	0 0	0	0 0	0	0 0	0		1 0	0 0	0	0		1	0	0	The strategy says very little about environmental policies, not mentioning biodiversity or biodiversity targets at all.
14	Harlow District Council	East of England	0 0	0 0	0 0	None of the above organisations appear to have been represented at any level in the Harlow 2020 Partnership (the LSP).	1	0 0	0		The Strategy does not appear to have an associated Action Plan, although it is currently only at the draft stage. There is almost no reference to the natural environment.	0	0 0 0	0 0	0 0	0	0 0	0	0 0	0		0 0	0 0	0	the cre	is limited evidence that ass cutting nature of the s in this vision has been nised.	1	0	0	There seems to have been very little environmental input into this vision for Harlow in 2020. Consequently the treatment of natural environment issues is very limited. This may however improve in the final version, following the consultation period.
14	Harrow London Borough Counci		0 0	0 0	0 0	0 None of the above	0	0 1	0	0 1		0	0 1 (0 0	0 1	0	0 0	0	0 0	0		1 0	0 0	0	0		0	1	0	The strategy does mention biodiversity and also an associated local BAP. However, the targets and monitoring are slightly vague and are focused mainly on "greenspace".
14	Hartlepool Borough Counci	North East	0 0	0 0	0 0	None of the above organisations are represented on the LSP.	0	0 1	1		Includes a section on key trends which describes a baseline for each theme. In the environment section describes the status of water voles in the area & describes them as an indicator species. Could be used as a future measure of success.	0	0 0 0	0 0	0 0	0	0 0	0	0 0		Action Plan not available online.	1 1	1 1	1	the na biodivi policie accord of sus object enviro	is a commitment to put tural environment (incl. ersity) at the heart of all s & plans, in Jance with the principles tainability & also an we to keep the natural nment 'eco-friendly' to business.	1	0	0	Clear, detailed & well-structured report. Good treatment of cross-cutting themes & includes a detailed section on the environment, with a good commitment to bid protection. Would be improved if actions were specified, but these may be found in Action Plan

hority Authorit		Authority Region	0 1.1	0.1.3	Q 1.4.2	Q1 Comments	Q 2.2 Q 2.3	Q 2.5 Q 2.5 Q 2.6	Q2 Comments	Q 3.1	Q 3.3	Q 3.5	A 3.6.1	Q 3.6.2	2 3.6.4	Q 3.6.5	a 3.6.6	Q 3.6.8	Q3 Comments	0 4.1	0 4.3	0.4.5	Q 4.6	Q4 Comments	Q 5.1	Q 5.3	Q5 Comments	Overall Comments
150 Hastings Borough		South East	0 0			None of the above organisations are represented on the main body of the LSP.	0 0 1	1 1 0	Recognition of the value of the natural environment & very broad commitment to it. Objectives include improving access to greenspace, 'raising awareness of the town's variety of plants & animals' & 'ensuring b'd of open green spaces'.	0 0	0 0	0	0 1	0	0 1	0	0 0		One of the targets in the strategy is to increase access to greenspace (including Local Nature Reserves) & another is to implement all relevant actions within the Sussex & National BAP by 2013.	1	0 0	1 0	0		0 (0 0		Poorly structured, since whilst it is mainly focussed on the economic & social regeneration of the district, there is actual good treatment of the natural environmen commitment to b\(^1\)d, it is just difficult to loc Commits to local & national BAP
151 Havant E Council		South East	0 0	0 0	0 0 0	None of the above organisations are represented on the LSP board. Membership of a wider forum or of any sub-groups is not made clear.	1 1 1	0 0 1	The strategy includes an in- built action plan (although this forms the main body of the strategy itself). Blodiversity is supposed to be one of the key influences' for the strategy, but no further reference is made to bid or the natural environment.	1 1	0 0	0	0 0	0 0	0 0	0	0 0	0		0	0 0	0 0		Little/no treatment of cross- cutting themes.	1 (0 0	Progress monitored & reviewed annually.	The environment is identified as one of themes & bd is supposedly one of the influences for this strategy. There is however no further reference to bid (or LBAP) & none of the objectives/actions relate to the natural environment. Very
152 Havering London I Council	Borough	Greater London	1 (0 0	0 0 0	0 Unable to find membership of the LSP.	0 0 1	1 1 0		0 0	1 0	0	0 1	1	0 0	1	1 0	0		1	0 0	1 1	1		0 (0 0	o ·	There has been some thought gone in biodiversity objectives for the borough including nature reserves and natural texpansion. However there is no mentic formal monitoring policy or who is responsible for the strategy's implemer
153 Hereford Council		West Midlands	0 0	0 (0 0 0	0	0 0 1	1 1 0	Very vague objective to "identify, protect and enhance the County's environmental assets"	0 0	1 0	0	0 0	0	0 0	0	0 0	1		0	0 0	0 0	0		1 (0 0	Strategy due for review in 2005	Short glossy pamphlet that doesn't say of any substance. Opportunity for revi 2005.
	Council		1 1	1	0 0	The Hertfordshire Environment Forum, responsible for the LBAP, sits on the LSP board, as do the Environment Agency.			Whilst it is an objective to protect and enhance the environment and improve quality of life! there is no reference to biodiversity issues. The environment section is primarily devoted to development, waste and energy issues.	0 0			0 0		0 0	0	0 0	1	The timescale for the community strategy indicates that an Action Plan was to be developed by December 2004. There is however no further reference to any such document.		0 0		0				There is no evidence of a formal monitoring or review process.	Despite the organisation responsible for LBAP being represented on the LSP; L practically no recognition of biodiversity issues. It does not deal with cross-cutti themes and there is no evidence of a monitoring or review process.
155 Hertsme Borough	ere in Council I	East of England	0 0	0 0	0 0	None of the above organisations appear to be represented on the LSP or to have been consulted for this document.	0 0 1	0 0 0	Whilst the community strategy recognises the importance of biodiversity, it lists no objectives that are directly aimed at biodiversity protection/enhancement. Aims such as 'protect Hertsmere's Greenbelt' may however have a positive effect.	0 0	0 0	0	0 0	0	0 0	0	0 0		There is at present no Action Plan available online. According to the Community Strategy it is however intended that Action Plans are to be produced for each theme. Access to the countryside is however listed as an objective in the strategy itself.	0	0 0	0 0	0		1 (There is a formal monitoring process. A number of performance indicators have been identified and these are to be reported on annually. There are however no biodiversity related indicators. However the review process is not clearly outlined.	Reasonably well set out document. Environment is a key theme and some objectives will surely help to protection blodwersity. However very few actions/objectives are specific to this a there is no reference to the LBAP.
156 High Per Borough Council	nj	East Midlands	0 1	0	0 0	English Nature are a member organisation of the LSP.	0 0 0	1 0 1		0 0	1 0	1	0 0	0 0	0 0	0	0 0		The Action Plan describes the establishment of a Biological Records Centre and an increase in the number of people volunteering for conservation/environmental tasks.	1	0 0	1 0		Reference is made to the economic benefits of linking the environment with tourism. Sustainable development and partnership are recognised as two cross-cutting 'guiding principles'.	1 (0 0	o .	Relatively good treatment of the natural environment and recognition of its vall the area. Would however potentially be from greater linkage with the LBAP, ar identification of more specifically biodi- related actions.
157 Hillingdo London I Council	Borough	Greater London	0 0	0 (0 0 0	0 None of the above	0 0 1	0 0 0		0 0	0 0	0	0 0	0	0 0	0	0 0	0		1	0 0	0 0	0		0	1 0	0	Although mention is made of biodivers plan does not elaborate extensively of theme. Nor does it provide any detaile targets.
159 Hounslo London I Council	Borough	Greater London	1 (0 0	0 0 0	Could not find detailed info on who is in the LSP but many wildlife organisations cited in "partners" section.	0 0 1	1 0 0		0 0	0 1	0	0 0	0	0 0	0	0 0	0		1	0 0	0 0	0		0 (0 0	D.	The strategy does mention biodiversit priority. However the targets are again slightly vague and the monitoring and process is not elaborated in detail.
160 Hull City		Yorkshire and Humber	0 1	0 (1 0	0	0 0 1	1 0 1		0 0	1 1	0	0 0	0	0 0	0	0 0	0		1	0 0	0 1	1		1 (0 0)	Very thorough document let down by actions for biodiversity.
161 Huntingo District C		East of	1 1	1	0 0	1 The Environment Agency are a partner in the HSP, and represent the 'environment sector'. The Cambridgeshire Biodiversity Partnership is listed as the Lead partner in the implementation of the Local Biodiversity Action Plan.	0 0 1	1 0 1	An action listed under the objective of a high quality built and natural environment, is to support the development of environmental connections to promote biodiversity and wildlife habitats.	0 0	1 1	1	1 1	1	1 1	0	1 0	0		1	0 1	1 1		In the section 'Supporting continued economic success' environmental protection is listed as a priority for action. Also describes the economic potential of the Great Fen Project in the Action Plan.	0	1 1		Well produced document, that recogithe importance of biodiversity. The restructured in a clear and logical man specific actions following objectives. strategy also recognises the cross-cu nature of themes with which it deals

This however only a I thus such a	Good treatment of natural environment and biodiversity issues. Very good restment of cross-cutting themes & especially the cross- cutting benefits of environmental protection & enhancement. Would benefit from greater detail on specific actions.
20:	Mid Sussex District Council	South East				The Environment Agency are represented on the LSP.	0 0	1	1 0	0	0 0	0 1	0 (0 0	0	0 0	0 0	0		There are targets in the environment section, but none relate to bid. The strategy sets out numerous actions in the environment section but only one specifically relates to biodiversity.	1 0	0 1	1	There is an action to develop a green gym (for patients to become involved in conservation work) in the 'health and social care issues' section.	0 (0 No formal mo process is ou		Well presented & relatively detailed. However whilst protection & enhancement of bid & the natural environment is identified as being at the 'top of people's agenda', the objectives only broadly relate to bid & there is only one bid specific action.
204	Middlesbrough Borough Council	North East	0 1	0 (0 1 0 0	The Wildlife Trust and the Environment Agency are represented on the environment theme/action group.	0 0	1	1 0	1 There is reference to encouraging b'd in the original but otherwise very little treatment of the natural environment. The draft revised version is much improved, including a distinct environment' section, detailing actions & referring to the LBAP.	0 0	0 1	0 (0 0	0	0 0	0 0	0		The new draft strategy includes bid actions. The 2005 Delivery (Action) plan is a very detailed (and lengthy) document, but relates to the original strategy and therefore is not very comprehensive in its treatment of bid.	1 1	1 1	0	O Sustainability is treated as a cross-cutting principle. There is a good treatment of cross-cutting themes in the associated Delivery (Action) Plan. Biodiversity is referred in the section entitled "improving the urban environment".	1 (0		The original strategy has relatively little coverage of the natural environment, it primarily being concerned with tackling problems linked to areas of high deprivation. The new draft version is much improved, with specific bid actions & reference to LBAP
200	Mole Valley District Council	South East	0 1	0 0	0 0 0	None of the above organisations are represented on the LSP 'shared agenda group'. English Nature are however listed as an implementation partner for several bid actions.	0 0	1	1 0	The community strategy itself is very limited. However the associated 'countryside' action plan, provides a strong commitment to b'd protection.	0 0	1 1	1 (0 1	0	0 0	0 1	0		Designating three new LNRs & promoting access to the countryside for disabled people are listed as targets/actions in the section of the action plan entitled 'additional things we would like to do' (as opposed to 'things we are committed to doing').	1 0	1 1	1	There is a commitment to the promotion of the countryside & natural environment for the benefit of people's health (green gyms etc.)	1	0		Strategy itself merely provides a very brief overview paragraph on each theme. However the countryside action plan contains a very detailed freatment of bd. It outlies objectives, several specific actions, two aspirational targets & reference to LBAP.
201	New Forest District Council	South East	0 1	0 (0 1 0	None of the above organisations are represented on the LSP (board). English Nature & the Environment Agency are identified as being important partners for the environment theme however. The RSPB are one of the partners for one of the actions.	0 0	0	1 0	1 It has an in-built action plan.	0 0	0 1	1 (0 0	1	0 0) 1	0		Commist to implementing the LIFE3 project, which concerns the restoration of habitats of European importance & the PROGRESS project, studying the impact of recreation on nature conservation. LNRs & SSSIs included as indicators but no targets are set.	1 0	1 1	0	1 There is a recognition of the initimate link between environment 8, economy in the fourism' section, recognising the need for environmental protection.	1 (0		The final version was due for publication August 2004. but still only the draft is available online. Good treatment of bid as there is a sub-section devoted to the natural environment, which includes objectives & actions. No refence to LBAP however.
201	Newark and Sherwood District Council	East Midlands	0 0	1 (Learnt from UKBAP website that the LBAP partnership has been involved in the environment sub-group from the start, but the other members of this group and those of the overall steering group could not be located online.		1		There is an action plan produced by the environment sub-group, but this can only be obtained by emailing Una Key (seee contact details)										Whilst the strategy does detail actions for achieving environmental objectives, none specifically relate to biodiversity protection/enhancement.	0 0	0 1		1 'promote the wildlife and landscape of the area as a means of developing sustainable tourism', however the issue of cross-cutting themes is not formally treated in this strategy.	0 (nd evaluation will odate the Plan', I process for	Brief document with only a page for each section. Does include biodiversity as a factor for achieving the overall environmental objectives, but no bid related actions or targets are identified. The Environment Group Action Plan may rectify this.
	Newcastle Upon Tyne City Council		0 1			The membership of the LSP is not clear. It would appear that none of the above were represented on the board, although there is a record of the environment agency being represented at an environment partnership open day.	0 0			0	0 0	0 0					0 0					0 1		The is brief recognition towards the end of the document that some themes can be cross-cutting, but otherwise little treatment of the subject.	1 (0		Lengthy & detailed document. Quite well- structured, but little reatment of cross-cutting themes & does not outline many specific actions. However good section on the environment & commitment to the protection of bid. Refers to creating/implementing LBAP.
21	Newham Londor Borough Council		0 0	0 (0 0 0	None of the above	0 1	0	0 0	0	0 0	0 0	0 (0 0	0	0 0	0	0	0 0	None of the above	1 0	0 0	0	0	0 (0 None of the		This strategy is very vague and mentions only broad areas of concern. No specific targets or aims arem mentioned at all.
21:	Norfolk County Council	East of England	1 0	1	1 0 0 (The LBAP partnership is identified as the lead partner for the implementation of biodiversity targets in the 2004 - 2005 Action Plan. Regional director of the RSPB sits on the LSP board.	0 0	1	1 1	The strategy is to use the level and condition of land with designated status' as an indicator of progress against its biodiversity objective.	0 0	1 0	0 (0 0	0	0 0	0 0	0		The initial Action Plan attached to the strategy document is predominantly concerned with establishment of the LSP & the strategy itself. However the 2004 - 2005 Action Plan outlines an objective to develop supplementary planning guidance for b/d, & has a	1 0	1 1	0	0	1 (outlined. The measured an detailed repo	se will be nnually and a rt will be	The Vision for 2023' acknowledges the importance of biodiversity & the natural environment. It aims to develop a reputation for increasing the area's biodiversity, although few actions are specified. The annual Action Plans should resolve this problem.

	North Cornwall District Council	South West	0	0	0 0	0 0 1	It is not clear if any of the above organisations are represented on the LSP for North Comwall.	0	1	0 0	0	There is reference to the natural environment, but in the north comwall specific sections of the strategy none of the objectives/actions relate to bid issues.		0 0 0	0 0	0 0		0 0	0	0 0) 0	Wild bird populations are to be used as an indicator of sustainability. North Cornwall will also be a 'minor contributor' to the achievement of the county PSA target for natural environment by enhancing the biodiversity of wildlife sites.	1 0	1 0	0	o l	1	0	0	Includes the strategy for the whole of comwall, which itself it has an excellent treatment of bit. However in the sections specific to North Committh there is very inter- commitment to bit. It is these sections by which the strategy has been assessed.
214	North Devon District Council	South West	t O	1	0 1	0 0 0	English Nature, the EA and the Devon Wildlife Trust are all represented on the main body of the LSP.	0	0	0 1	0	Whilst the community strategy does include a section termed action plant this actually constitutes the majority of the strategy document itself.	0	0 1 1	1 0	0 1	0	0 0	0	1 1		There are targets to reverse the decline in farmland birds, to bring all nationally important wildlife sites into a favourable condition, by 2011. The action is to secure international recognition for the Biosphere reserve at Braunton Burrows.	1 0	1 1	0	oit is recognised that 'the high quality of the natural & built environment underpins the quality of life for residents and visitors and the viability of many local businesses', but not formally treated as a factor in achieving social/economic development.	1	0	0	Recognition of the importance of the high quality local natural environment & good commitment to bid protection/enhancement. Would be improved if greater detail was provided on specific bid actions. Reference to LBAP but no objectives/actions relate to it
216	North East Derbyshire District Council	East Midlan	ids 0	1	1 0	1 0 (The Derbyshire Wildlife Trust the Environment Agency, English Nature and the LBAP partnership all sit on the 'Environment Theme Group' of the LSP.	, 0	0	1 1	0		0	0 1 () 1	0 1	0	0 0	1	0 1		There is a link within the Action Plan to the national targets for biodiversity which include reversing the decline in farmland birds by 2020.	1 0	0 1	0	0	1	1	0	This updated version of the community strategy (see Chesterfield BC record for the original), is much improved. A more formal review process is outlined, the term biodiversity is used, and a separate action plan details b
217	North East Lincolnshire	Yorkshire ar Humber	nd 0	1	0 0	1 0 (0	1	0	0 0	0		0	0 1 1	1 1	0 (0	0 0	1	0 0	0		1 0	0 0	1	0	0	1	0	Does not use the word biodiversity once. Has a single indicator for LNRs based on EN
	North Hertfordshire District Council	East of England	1	1	0 0	0 0	I The Environment Agency is listed as a member of the LSP, but is not a 'core' contributing organisation. Whilst not formally represented on the LSP, it is indicated that the LBAP partnership has links to the LSP. Membership of theme groups is not clear.	0	0	1 0	1	The strategy does have an Action Plan. In practice however this plan forms the majority of the Community Strategy document itself.	0	0 1 0	0 0	0 (0 1	0 0	1	1 0	0 0		0 0	0 1	0	0	1	1	There is a formal monitoring process in place. The English Nature Local Team are identified as being responsible for the collection of data on the biodiversity indicators.	standards Contising, No biodiversity objectives are set out in the main document. Four performance indicators are however outlined which specifically relate to biodiversity issues & have a purpose of protecting the biodiversity of nature?
219	North Kesteven District Council	East Midlan	ds 0	1	0 1	0 0 (The Lincs Wildlife Trust and the Environment Agency are represented on the LSP board.	0	1	0 0	0	There is a section entitled 'the conservation of the highly-valued, rural environment' and it does include the LBAP as one of the linked plans/strategies, but the only objectives & actions it lists relate to planning, waste, agriculture or rights of way.	0	0 0 0	0	0 (0 0	0 0	0	0 0		More detailed implementation plans are to be developed, but are noy (yet?) available online.	1 0	0 0	0	The strategy identifies several guiding principles including sustainability (doesn't specifically mention the natural environment however).	1	0	0	Resonably well structured document, but with very little detail or each them. Very poor treatment of the natural environment and, apart from a single link to the LBAP, there is no treatment of biodiversity issues.
220	North Lincolnshire Borough Council	Yorkshire ar Humber	nd 0	0	0 0	0 0	0	0	0	1 1	1 (0	0 1 (0	0 0	0	0 0	0	0 1	0		1 0	0 1	1	D	1	0	0	A glossy strategy that has a good indicator but very vagueobjectives for biodiversity. There is no mention of LBAP partnership involvement on the LSP
221	North Norfolk District Council	East of England	0	0	0 0	1 0 (None of the above organisations are represented on the board of the LSP. English Nature, The Environment Agency and the Norfolk Wildlife Trust all contributed to the development of the Action Plan for the environment theme.	o i	0	0 1	0		0	0 1 1	1	0 (0 0	0 1	1	1 0		The Action Plan details the specific biodiversity objectives & actions and details the organisations responsible for their delivery.	0 0	0 0	0	1 There is a link to business and economic development within the environment themed Action Plan.	1	0	0	The Community Strategy itself is very brief, but is easily accessible. It outlines objectives to protect the natural environment, & improv the quality of important 'hatura' & scientific' sites. The Action Plan for the environment is very good.
222	North Shropshire District Council	West Midlar	nds 0	1	0 0	0 0 1	0	0	0	1 0	0 (0	0 0 0	0	0 (0 0	0 0	1	0 0		One reference made to gaining designation of three local nature reserves by 2005, most of section relates to developing local produce and opening faming market.	0 1	1 0	1	Strategy speaks of improving environment for quality of life	1	0	0 No targets or specifics.	Good interms of discussing general themes, more specifics given for sections on waste, energy,transport etc
223	North Somerset Council	South West	1	1	0 1	1 0 (The Environment Agency are represented on the LSP board. The LBAP partnership are identified as one of the four partnerships that contribute to the delivery of the environment theme.	0	0	1 1	1 (There is a strong commitment to biodiversity protection enhancement. Few actions are outlined in this strategy, but there is an action/target to increase successful legal action against environmental crime such as. habit	0	0 0 0	0 0	0 (0 0	0 0	0	0 0		More detailed action plans are to be developed from April 2005 onwards.	1 0	0 1	1	D Understanding the value of the natural environment is included as part of the vision for 'culture, leisure & recreation'.	1	0	0	Reasonably well structured strategy. Good treatment of bid & natural environment. Objectives provide strong commitment to bid but action plan containing actionstrargets to be developed. LBAP referred to & LBAP partnership involved in theme implementation
224	North Tyneside Metropolitan Borough Council		0	1	0 0	1 0 (Denglish Nature, the EA and the Wildlife Trust are listed as key partners in the environment section, but none are represented on the LSP board.		0	0 1	0	It is stated that there is an 'action plan' but this is built into the strategy itself, and not distinct from it.	0	0 1 0) 1	0 0	0 0	0 0	1	0 0		Within the (inbuilt) action plan there is a target relating to increasing the number/area of LNRs.	1 0	0 0	1	D	1	0	0	Lengthy document with in-built action plans for each theme. The 'action plans' detail specific aims/objectives & targets, but still few specific actions are outlined. Protection & enhancement of wildlife is an objective & the LBAP is a linked plan.

2	North Warwickshire Borough Coun		dlands	0 1	0 0		0	0	1	1	0 0			0 0							0 0		1 0	0 0	1	0	1	0	0	Very basic strategy with little more than aims and priorities provided. Little information given as to how these will be acted upon.
2	26 North West Leicestershire County Counci	East Mid	llands	1 0	0 0	0 0	None of the above organisations appear to be represented on the LSP, but a member of the Local Wildlife Trust is listed as the contact for the LBAP.	0	0 0	1		'Protect and improve the physical and natural environment' is an objective.	0 0	0 1	0	0 0	1	0 1	0	0		The action plan that is available online is predominantly concerned with organisational issues, however the targets checked in Q 3.6 are outlined under the 'actions' section of the community strategy itself.	1 0	1 1	1	Strategy underpinned by two cross-cutting, guiding principles of which sustainability of Environmental Sustainability (including the protection & enhancement of natural habitats) is one of the themes that will be treated in an integrated manner.	1	0	0	Well structured and relatively good freatment of natural environment issues. Good treatment of cross-cutting themse. Outlines an objective to consolidate the existing LBAPs for the district by 2005.
	29 North Yorkshire County Council	il Humber				0 0						Indicators only		0 0									0 0	0 0	1	1	0	0	0	This is a consultation draft seeking comments on how to include more detail in the fnial Strategy
2	30 Northampton Borough Coun		llands	0 1	0 1	0 0	The Environment Agency are a member of the LSP.	0	0 1	1		The strategy provides a good treatment of biodiversity, although none of the targets or measures of success for the environment section are biodiversity related. Access to open space is a target in the culture section however.	0 0	0 0	0	0 0	0	0 (0	0) The 2004 update on the strategy suggests that new (& more challenging) conservation/biodiversity related targets will be established. No Action Plans could at present be located online.	1 0	1 1	1	O Access to greenspace is used as a measure of progress in the promoting leisure and cultural opportunities section*.	1	0	0	Clear and well presented document. Detailed with a good montroing & review process in place. Good treatment of biodiversity, atthough no targets or measures of progress relate, at present, to biodiversity.
	Northamptonsh e County Council						It is not clear who are the members of the LSP (or indeed if there is an LSP, the strategy is published by the council itself).	0		1	1 1		0 0	0 1	0			0 0				Action Plans were to be produced by Autumn 2004, but are not (yet) available online. The above indicators/targets are however outlined in the strategy itself (it includes a built in actions plan?).	1 0	0 1	1	Acknowledges that the 'quality of the built and natural environments greatly affects the well-being of the residents', & describes an objective to engage communities in their local environment.		0	0	Detailed and well presented document. Detailed treatment of biodiversity issues including objectives, actions and indicators. Integrates natural environment with social and cultural development. Targets associated with the LBAP are to be developed.
	32 Northumberlan County Counci	il					The Environment Agency are a member of the environment sector board, but their 'focus theme' is waste and pollution.		0 1			Good treatment of biodiversity and environmental issues. Reference is made to the LBAP & reversing the decline of species and habitats identified in it.		0 0						0		The strategy includes the '95% of SSSI's to be in favourable state by 2010' target.	1 1	1 1	1	1 Good treatment of cross- cutting themes.	0		of targets by which to measure progress. However the exact process by which process will be monitored is not made clear.	Detailed and well-stuctured document. Each section is well set out & formal recognises the links with other themes. Detailed section on the environment & good level of commitment to biodiversity issues. Reference to achieving LBAP targets.
	County Counci	il					Membership of the LSP is not outlined, however according to the UKBAP website the LBAP partnership has not been involved in the formation of this strategy.		0 0	1		None of the targets/indicators relate to biodiversity issues.	0 0	0 0	0	0 0	0	0 0	0	0	0 0		1 0	1 1	1	Recognition that issues (incl. natural environment) should be treated as cross-cutting, and that the natural environment can contribute to helath and well-being, tourism and the economy.	0	0	Despite including indicators for measuring progress, no formal monitoring or review process is outlined.	Quite lengthy document. Provides detailed descriptions of baseline conditions in the county & of the key issues in the county, but very little is provided in terms of actual action. Good recognition of the value of b/d, but no actions or targets set.
2	37 Nuneaton & Bedworth Borough Coun		dlands	0 0	0 0	0 0	Unable to obtain membership details for sub-groups	0) 1	1	1 0	Targets but no indicators for biodiversity.	0 0	0 0	0	0 0	0	0 1	1	0	0 0		0 0	0 0	0	0	1	0	0	While good objectives and targets are included, there are no indicators to measure success. Information on the LSP is difficult to find.
	38 Oadby & Wigston Distric Council			0 0	0 0		None of the above organisations are represented on the LSP.		0 1		0 0		0 0	0 0	0	0 0	0	0 0	0	0	0 0		0 0	0 1	0	An objective is to preserve and enhance wildlife and open space. However none of the actions listed specifically mention/relate to biodiversity.	1		and publicised. Reference to monitoring of progress but no formal outline of how this process will be implemented.	Relatively good coverage of environmental issues. There is definitely scope however, for specification of more detailed biodiversity actions. Otherwise relatively well-structured, but there should be more treatment of cross-cutting issues.
2	39 Oldham Metropolitan Borough Coun			0 1			1 The Environment Agency are listed as a lead partner within the environment action plan. None of the above organisations are represented directly on the LSP board or steering group. The membership of the environment forum/partnership is not clear.	0	0 1	1	0 1	In-built action plan. Further action plans to be developed.		1 1				0 (0			1 0	1 1	0	0	1		0 To be an annual report on progress.	This is the consulation draft for the revised strategy. Exceptionally detailed. 148 pages long. Generally good reatment of the environment, incl. a commitment to employing someone to co-ordinate bid action planning. However, could detail more bid actions
2	Oswestry	West Mid	dlands	0 0	0 0	0 0	Speaks about linking the strategy to the objectives in the Local Plan	0	0 0	0	0 0		0 0	0 0	0	0 1	0	0 (0 0	0		Speaks about increasing open space as an opportunity to promote wildlife	0 0	0 0	0	Impoving the environment relates to the provision of recycling and waste management objectives. One reference to utilising brown field sites, but this relates to development opportunities rather than improving biodiversity	0	0	0 No comment made	Limited document interms of biodiversity. Focuses on waste and social problems more than the environment.

	Oxford City Council	South East	1 0	1 0	0 1 0	0 None of the above organisations are represented on the steering group of the LSP, but the Oxfordshire Nature Conservation Forum are listed as a key partner in the delivery of bid objectives & it is believed that they represent the LBAP partnership.	0 (0 1	1 0		An action list relating to the conservation and enhancement of the natural environment is due to be produced by April 2005.	0 0	0 0	1 (0 0	0	0 0	0	0 0	0 0		1	0 1	1	0 0	0	1	0	0	Recognises the high quality & value of the natural environment in Oxford, & outlines a commitment to protecting it. However at present the strategy does not specify actions or targets for bit, but this is due to be rectified by April 2005.
	Oxfordshire County Council	South East	0 1			0 None of the above organisations are directly represented on the LSP board, but the Environment Agency and the Oxfordshire Nature Conservation Forum are represented on the Environment theme (ambition) group.) 1			Action plans are to be developed but are not yet available.					0					An action is outlined under the blodiversity objective. There is also a single target relating to this: to increase the percentage of farmers taking up environmental stewardship schemes by 2006.	1	0 0	1	0 (1	0	0	Very basic document with only 3 or 4 priorities for each theme, & then a single action 8 target for each priority. Increase Oxfordshire's bût is however one of these priorities. Need for greater detail, (although this may be provided in action plan
	Pendle Borough Council	North West	0 1	0 1	1 0	The EA and the local Wildlife Trust are represented on the environment theme group & the Ea are also full members of the LSP.	0 (0 1	1 0		None of the listed targets relate specifically to biodiversity. Action Plans to be produced, but not at present available online.	0 0	0 0	0 (0 0	0	0 0	0	0 0	0		1	0 1	1	1	Going to 'promote the sustainable use of the borough's quality environment for economic and social objectives'.	1	1	0	Quite well presented, with a fair treatment of the natural environment. Commitment to bid protection & good recognition of the cross-cutting benefits of a high quality natural environment. However no actions or targets specified. The LBAP is referred to.
245	Penwith District Council	South West	0 0	0 0	0 0	None of the above organisations are represented on the core group of the LSP.	0 (0 1	1 1	0		0 0	0 1	0 (0 0	0	0 0	0	0 0		There is an action/target to devise an LBAP.	1	0 1	1	1	No formal treatment of cross- cutting themes, but overall good recognition of the links between the different theme areas.	1	0	0	Detailed 61 page document. Not as extensive a coverage of b/d issues as in the overall strategy for Corrwall, but relatively good treatment nonetheless. Commitment to the development of an LBAP.
	Peterborough City Council	East of England	0 0	0 0		O A representative of the Peterborough Environment City Trust sits on the GPP board.	0 (0 1	1 0	:	The strategy recognises that the need to encourage biodiversity is essential, but details no specific biodiversity actions or targets.	0 0	0 0			0		0	0 0	0		0	0 0	1		O Very little treatment of the cross cutting nature of the six identified key priorities' (themes).	1		of results on an annual basis at the GPPF. This will be a measure of progress against the projects outlined in the community strategy. There is a lead partner for environmental sustainability (including biodiversity).	Original strategy under review in light of the Peterborough's designation as a government growth area. Revised document was due to be published summer 2004. The strategy mentions general biodiversity enhancement but details no specific actions or targets.
247	Plymouth City Council	South West	0 1	0 0	0 1 0	Ol None of the above organisations are represented on the main body of the LSP. The EA are however represented on the 'environment & sustainability group'.	1 1	1 1	0 0		There is quite an extensive treatment of the environment & yet there is no treatment of biodiversity or wildlife/habitats. The term biodiversity is used in the appendix, but this is only in noting that the issue has not been covered by the strategy.	0 0	0 0	0 (0 0	0	0 0	0	0 0	0		1	0 0	0	0	I Recognition of the potential for 'green tourism' to boost the economy of Plymouth. However, no other recognition of biodiversity at all.	1	0	Very good monitoring system in place.	Overall a detailed & well structured strategy, However, there is almost no recopition of biodiversity or the natural environment. A sustainability appraisal included in the appendix refers wildlife concerns to the LDF. Extremely poor treatment of b'd.
	Portsmouth City Council	South East	0 1	0 0	1 0	The Environment Agency are represented on the partnership board of the environment sub-group.	0 (0 1	1 0		Commits to drawing up a nature conservation strategy & a Local BAP. Identifies need for wildlife protection & outlines a broad commitment to it. Delivery plans are to be drawn up.	0 0	0 1	0 (0 0	0	0 0	0	0 0	0		1	1 1	1	0 (Good recognition of the cross- cutting nature of the different themes.	1	0	0	Reasonably detailed strategy. Reasonable treatment of bid, recognising the need to protect the natural environment & wildlife. Commits to the development of an LBAP. Could specify more actions & targets, but perhaps these will be in the delivery plan.
250	Preston Boroug Council	h North West	0 1	0 0	1 0	O None of the above organisations are represented on the main body of the LSP. The EA and the Wildlife Trust are listed as key delivery agencies for a number of the actions/targets however.	0 (0 0	1 0		Includes in-built action plan. The targets and indicators for biodiversity can be found in the associated action plan.	0 0	1 1	1 (0 0	1	0 1	0	0 0		The in built action plan includes the above targets for blodfwersity. The secion which lists targets includes some statements which describe actions rather than targets.	1	1 1	1	0 (1	1	0	Detailed and relatively well structured document. Relatively good treatment of the natural environment/boddversity issues & reference to the LBAP. Would benefit from the description of actions in more detail however.
	Purbeck District Council	South West	0 1	0 1	0 0	The Dorset Wildlife Trust are represented on the board of the LSP.	0 (0 0	0 0	0		0 0	0 0	0 (0 0	0	0 0	0	0 0	0		0	0 0	0	0 (b	0	0	o	A number of community consultation events have taken place, with a view to incorporating the results into a community plan for Purbeck. However, it is not clear how far along this process is, or whether any deadline has been set for its production.
	Reading Borough Counc	South East il	0 0	0 0	0 0	0 Membership of the LSP is not clear (it would seem that the LSP website is quite new & therefore not fully updated), but none of the above organisations appear to be represented on the LSP	0 (0 0	1 0	0		0 0	0 1	0	0 0	0	0 0	0	0 0	0 0		0	0 0	1	0 (o d	0	0	o	Given that it is a very basic 12 page document it provides a strong commitment to wildlife & habitat protection/management. However due to the brevity of the document no actions or tragets are specified & LBAP is not referenced. Needs an action plan.

	South Gloucestershire Council	South East	0	1 0	0 0	0 0 1	I The EA and the Wildlife Trust have both endorsed the Community Strategy, but none of the above organisations actually appear to be represented on the LSP.		0 1		0 0		0 0	0 (0 0	0 0	0 0	0	0 0	0	0 0			0		0 (0	1	0	0	Brief document that sets out a number of strategic objectives but provides little detail. Commits to bid protection & enhancement but does outline any specific actions or targets. Would be improved by an action plan. No reference to LBAP.
290	South Hams District Council	South West	0	1 0	1 (0 0 0) The EA are a partner in the LSP. No reference to LBAP (or even b/d).	1	1 0	0		There is an associated 'project plan' (action plan) for each key priority (theme), however, there is no section in the strategy relating to the environment & nothing is provided relating to either b'd or the natural environment.	1 1	0 (0 0	0 (0 0	0	0 0	0	0 0	The action plan has not been seen, but would contain no treatment of the environment, let alone bid, due to the focus of the strategy itself.	0 (0 0	0 (0	1 No formal treatment of any cross-cutting themes, but recognition that 'community led partnership action is required to stimulate business growth and build upon local assets, such as the built and natural environment, without damaging that environment.	1	0	0	Brief document with only three "key priority themes." The environment is not one of these. This is "justified as the environment is treated in other local planning frameworks or community initiatives. Consequently non- existent treatment of bid. Very poor.
294	South Holland District Council	East Midland	s 0	1 0	1 (0 0 0	D English Nature, the EA (& the countryside agency) are members of the LSP (Rural Action Zone).	0	0 1	1	1 1	Target: to review the LBAP by the end of 2003, so that more detailed targets can be included in the Community Action Plan.	0 0	0	1 0	0 (0 0	0	0 0	0	0 0	The Action Plan details several biodiversity related actions, but sets out no targets or indicators for measuring the progress of these actions.	0 (0 0	1 (0	There is no formal recognition of cross-cutting themes, but the environment is recognised as having a role to play in the emerging tourist trade.	1	0	0	The LSP here has evolved from an earlier partnership (the RAZ). This is a clear & readable document with a good level of detail. The importance of the area's natural heritage (&b/d) is recognised & a number of actions aimed at protecting it are outlined.
295	South Kesteven District Council	East Midland	s 0	1 0	0 (0 0 1	The EA and the Lincs Wildlife Trust attended consultation events, but neither appear to formally sit on the LSP.	0	0 1	1	1 1	The Community Strategy includes an indicator for biodiversity but not any targets. There is an associated Action Plan, but this was not available online.	0 0	0	1 0	0 (0 0	0	0 1	0	0 0	The area of LNR per 1000 of the population' is outlined as an indicator of progess in the strategy. However, no target is set.	1 (0 1	1 (0 (A diagram at the beginning of the document illustrates that there are inter-relationships between the different theme areas. However none of the themed sections formally address the cross-cutting nature of the issues.	1	0	0	Readable and clear document with a good environment section, including a commitment to protect plants & wildlife (& listing actions towards this). Describes indicators, but provides no actual targets. This may however be covered by the Action Plan.
296	South Lakeland District Council	North West	1	0 1	1 (0 0 0	The Cumbria Biodiversity Partnership are represented on the LSP & one of the key actions in the strategy is to assist the Cumbria Biodiversity Partnership with the implementation of the LBAP.	0	0 1	1	1 1	Action plans are to be developed. The target is listed in the actions section, but relates to increasing the number of local wildlife sites.	0 0	0	1 0	0 (0 0	0	0 0	0	0 0		1	1 1	1	1	Recognition that the environment is "in fact a significant driver in the local economy'.	1	0	0	Very good. Good treatment of bid issues. LBAP & LBAP partnership referred to. Very good treatment of links between the natural environment & the economy. Has been subject to a sustainabilty appraisal.
291	South Norfolk District Council	East of England	0	1 0	1 (0 0 0	The Environment Agency is represented on the LSP board.	0	0 1	1	0 1	Programmes of action are produced each year by the alliance but are not available online (paper copies may be obtained by contacting Armana Handley on 01508 533925). These apparently contain more detailed information on actions.	0 0	0 (0 0	0 (0 0	0	0 0	0	0 0	Detail on specific actions is apparently provided within the Programme of Action' documents which are not available online.	0 0	0	0	1 (The environment is not formally recognised as a cross cutting theme, but a high quality environment is recognised as important in some of the social development related themes such as housing and community.	0	0	The LSP will apparently review the delivery of its targets, but no formal monitoring or review process is outlined.	Easily accessible document with a section on the Environment. Includes as an objective resurse a quality natural environment by working with our LBAP; but contains very little detail on any specific actions (this may be found in the programmme of action)
298	South Northamptonshir e District Counci		s 0	1 0	1 (0 0	The Environment Agency are a member organisation of the LSP.	0	0 1	1	0 1	Action Plan to be developed.	0 0	0 (0 0	0 0	0 0	0	0 0	0	0 0	The Action Plan could not be located online.	1 (0 0	1 (0 (0	1	0	Annual review to be carried out.	Relatively brief treatment of the issues, with no actions or targets specified. However there is a strong commitment to biodiversity, & more actions/targets may potentially be identified in the final version of the strategy.
299	South Oxfordshire District Council	South East	1	1 1	1 (0 0 1	The Oxfordshire Nature Conservation Forum are represented on the LSP (it is believed that they are the county biodiversity partnership). English NAture and the Wildlife Trust are identified as key partners for biodiversity targets.	0	0 1	1	0 1		0 0	0	1 1	0 (0 0	0	0 0	1	0 0	The Actions under the environment theme in the action plan only broadly relate to bid, i.e. 'provide support to conservation groups to improve the local countryside'. Whilst targets do specifically refer to bid, they do not aim to improve on the baseline.	1 (0 0	1 (0 (0	1	1	1	Overall, good treatment of bid. Commits to bid protection with objectives, some broad actions & targets. Refers to LBAP & LBAP patnership involved in delivery, However targets simply relate to maintaining the staus quo. Could be more detailed & ambitious
300	South Ribble Borough Counci	North West	0	1 0	1 (0 0 0	The Environment Agency are represented on the LSP.	0	0 0	1	1 0	There are objectives & targets relating to biodiversity but no real actions are specified.	0 0	0 (0 0	0 (0 0	0	0 0	1	0 0	Reference to the audit commission quality of life indicators (SSSIs in favourable condition etc), in an appendix, but it is not clear whether these are (all?) to be used, and they are not in the form of targets.	1	1 1	1 (0 (Relatively good treatment of cross-cutting themes.	1	0	0	Quite readable, with fair amount of detail. Relatively good treatment of the natural environment, including objectives and targets for biodiversity. However, no reference to LBAP, & does not really specify any "actions"
301	South Shropshire	West Midland	ds 0	0 0	1 1	0 0		0	0 1	0	0 0		0 0	0 (0 0	0 0	0 0	0	0 0	1	0 0		1 (0	0 (0 (0	1	0	0	
300	District Council South Staffordshire District Council	West Midland	ds 0	1 0	1 1	1 0 0	The Staffordshire Wildlife Trust are represented on the LSP. English Nature are the lead organisation for a b/d objective.	0	0 1	1	0 1	Includes an in-built action plan.	0 0	0	1 1	0 0	0 0	0	0 0	0	0 1	The action plan includes an action & a target for biodiversity: to ensure that all SSSIs are in a favourable condition by 2005	1 (0 1	1 (0 (0	1	1	0	Basic, 13 page, strategy that provides a brief treatment of the issues. Outlines a relatively strong commitment to bid, with an objective & an action/quantifiable target. Does require a greater level of detail however. No reference to LBAP.

315	Stevenage Borough Counci	East of	1 0	0		The Hertfordshire Environment Forum (responsible for the Hertfordshire LBAP) is ni referred to in this strategy However, an objective of strategy is to develop and implement a LBAP for Stevenage and thus esta a new LBAP partnership.	this	0 0	1 1	1	Hectares of publicly accessible 'greenspece' is listed as as a performance indicator in the strategy.	0 0	1 1 0	1	0 1	1	1 1	1 0	0	Action Plan details a number of actions to be undertaken including the development of a LBAP, action plans for individual species & habitats, habitat protection & creation, and success will be measured in part by the condition of SSSI's and number of LNRs	1 0 0	1		The strategy recognises both the need to improve conservation management of the area's important wildlife sites, and also that environmental regeneration can be a 'powerful tool through which to engage our community'.	1 0	0	Well structured, clear and detailed plan. General consideration of biodiversity is good, and the actions & targets detailed in the Action Plan are excellent. The strategy sets out a commitment to the development and implementation of a LBAP for Stevenage.
316	Stockport Metropolitan Borough Counci	North West	1 1	1	0 0 0	None of the above organisations are represe on the partnership board the LSP. The environmer agency are however represented on the wider forum as are the Stockpo Nature Network, who are lead organisation for the LBAP.	ented of nt	0 0	0 1	0	Objectives relating to the diversity of nature but b'd not specifically mentioned. Link to the 'action plan for nature', which is the LBAP for Stockport borough.	0 0	1 0 0	0	1 1	0 (0 0	0 0	0		1 0 1	0		Link between wildlife/countryside and quality of life/culture.	1 0	0	Relatively detailed document. Quite good coverage of environmental issues, including commitments to bid. However there is a need to provide more detail on how the cut objectives are to be achieved. Reference to LBAP & the partnership sit on LSP forum.
	Stockton-on- Tees Borough Council	North East West Midlands	0 1			English Nature, The Wild Trust and the Environme Agency are all involved ir environment theme.	nt n the	0 0	1 1	1 (Excellent commitment to b/d.	0 0			0 0		0 1	0 0		There is no associated action plan, but the above targets are included in the strategy itself. Numerous actions for b/d.	1 1 1	1		If an objective is linked to another, in a separate section, this is recognised. There is recognition that the objective relating to the protection of the natural environment is linked to the economic objective aiming to improve the image of the borough.	1 1	0	Clear, readable and well-structured document. Several bid specific actions & targets identified, within a good section on the environment & with good treatment of cross-cuting themes. Commitment to achievement of LBAP targets. Detailed & verv well structured strateov.
	City Council					Trust & the Environment Agency are both identifies key agencies in the deliv biodiversity/environments objectives. The Wildlife T are also represented on t wider partnership forum.	d as ery of al rust he		1 1		Includes targets for b/d but these are mostly qualitative.								1	Numerous actions for bd. Including 'designate more LNRs & improve their management' & 'maintain a network of green spaces & wildlife corridors to enable wildlife to thrive'.	1 0 1	1		It is recognised that 'Stoke-on- Trent's environment is damaging its image and is potentially stopping the City attracting inward investment, new jobs and new businesses' & thus needs to be improved in order to achieve economic aims. Same for health.	1 1	Monitored and reviewed annually.	Outlines objectives, actions & targets. Very good treatment of bid (possibly the best for any city reviewed), including objectives & numerous actions targets for bid. Commist to contributing to Staffordshire BAP.
	Stroud District Council	South West				D None of the above organisations are repress on the main body of the L	ented .SP.	0 0	0 1	0 1		0 0						0 0			1 0 1	1 (There is no formal treatment of cross-cutting themes, but some issues within the strategy are linked. A link between the natural environment and attracting tourists and new businesses is recognised.	0 0	0	Very basic strategy. Reasonable discussion of bid issues in the district, but then only sets out two objectives for the entire environment section & includes no actions or targets. No reference to the LBAP. Action plan probably needed.
	Suffolk Coastal District Council	England	0 0	0		Plefers to the both the Su LBAP and the developme preparation of new LBAP does not refer to the partnerships responsible these. Not clear as to membership of the LSP o participation in the Comm Strategy process.	ent & 's but for or nunity	0 0	1 1	1 (0 0		0						Specific actions (including meeting specific LBAP targets) and targets are outlined throughout the Community Strategy. There is however no distinct Action Plan.	1 1 1	1	1 0		0 0	the strategy, and it is suggested that progress c be measured against thes targets. However no forma monitoring or review proce is outlined.	some others, but does outline a good or consideration of biodiversity issues. Specific bid actions & targets are described in order to meet strong bid objectives. It also prioritises action to implement the LBAP
322	Suffolk County Council	East of England	1 1	1	1 0 0 1	The Wildlife Trust, the LE partnership and the Environment Agency are members of the LSP.		0 0	1 1			0 0	0 1 0	0	1 0	0 0	0 0	0 0		Actions & targets are integrated into the Community Strategy, but there is not a distinct Action Plan. Improving access to 'Greenspace' is however identified as a key target, and one against which progress can be measured.	1 0 1	1	1 1	No formal treatment of the environment as a cross cutting theme but it does recognise that there are strong linkages between biodiversity objectives & other priorities and also that Suffolk's environment is key to its identity (both social and economic).	0 0	It is stated that the strategy and its associated targets to be reviewed throughout year but a formal process this is not outlined.	are conservation and enhancement. Identifies the specific actions to be taken to achieve for biodiversity goals, and targets by which progress can be measured. Lacks a clearly defined/formal review process.
	Sunderland City Council			0		None of the above organisations are full members of the LSP.		0 0			That the city is part of the durham biodiversity action plan is recognised, alongside a need to protect and enhance habitats in wildlife/ There is however little other consideration of b/d: it includes no b/d actions or targets.	0 0		0	0 0		0 0	0 0	0		1 1 1	0	1 1		1 0	0	Exceptionally detailed, but not very accessible, 114 page document. Whilst this is one of the most detailed strategies in the country & there is recognition of bid issues, there is actually very little proposed that relates to bid.
325	Surrey Heath Borough Counci	South East	0 0	0	0 0 0	D None of the above organisations are represe on the LSP.	ented	1 1	0 0	0	Part of the vision is "a community which aims to respect the environment". No further detail is provided.	0 0	0 0 0	0	0 0	0 0	0 0	0 0		There is a section listing 'actions plans' for several themes, including the environment, but online these are no more than three sentences long & add no detail to the strategy/vision. It is possible however that they are available in more detail offline	0 0 0	0 0	D) C		0 0	There is no reference to a formal monitoring or review process.

Very limited in any details for environmental issues. A 2005 revised strategy is imminent.
327	Swale Borough Council	South East	0	0 0	0 0 0	0 0 0	The membership of not clear, but the 'K are identified as the partnership for two actions (no key is p it is likely that this s the Kent Wildliffe T	ent Trust' lead of the b/d rovided but tands for	0	0 1	1 1	1 1		0 0	0 1	0	0 1	0	0 0	0	0 0		There is a target for access to public greenspace, but the target of 2.5 ha/1000 population is actually smaller than the present baseline of 2.622 ha/1000 pop. Area of semi-natural habitat is used as an indicator but no targets are set.	1 0	0	1 0	0 0	Limited treatment of cross- cutting themes.	1 0	0	Lengthy & detailed strategy with an extensive action plan. Good treatment of, & commitment 10, bid specifying a number of bud actions. No reference to LBAP however & strangely the target for access to public open space is actually smaller than the basiline
328	Swindon Borough Counci	South West	0	1 (0 0 1	0 0	The EA, English Note Wildlife Trust a partners on the envitheme.	re all key	0	0 1	1 1	1 0	Excellent commitment to b/d.	0 0	0 1	1	0 1	1	0 1	0	0 0		The above actions are found in the strategy itself, not the action plan (there is no action plan).	1 1	1	1 0		In the environment section recognition that the natural environment underpins quality of life and can help attract new businesses to the region. But not actually included amongst the social/economic development sections.	1 0	0	Lengthy, very detailed, but well structured document. Excellent treatment of bid, with strong objectives relating to be objectives relating to bid protection/enhancement & numerous actions/targets outlined. Strong commitment to implementation of an LBAP & monitoring its progress.
	Tameside Metropolitan Borough Counci		0				None of the above organisations are re on the LSP board.	epresented	0	1 0			Delivery Framework (Action Plan) due soon, but not yet available online. Although parks and open space are discussed the only issues for which objectives are detailed, are recyling, litter, transport & brownfield development		0 0			0			0 0			1 0		0 0		Treatment of cross-cutting themes with recognition that some issues, such as health & environment, cross the different theme boundaries. However due to the nature of this document, any treatment is really only quite limited.	1 0	0	Very tittle detail in this document. 'Glossy pamphlet' type. Recognition of the importance of the environment, but due to the very limited nature of this document no objectives, actions or targets relating to bid are provided. Overall, very poor.
330	Tamworth Borough Counci	West Midland	ds 0	1 (0 0 0	0 0 1	None of the above organisations appe represented on the the Environment At the Staffordshire W are both identified a organisations that I contributed to the colan.	LSP, but gency and /ildlife Trust s nave		0 0	1 (There is an over-arching aim to 'encourage everyone to protect & enhance the natural environment' & one of the objectives under this is 'protecting natural habitats, plants & animals'. There are targets but none of them relate to biodiversity.	0 0	0 1	1	0 0	0	0 0	0	0 0		There is an action to develop a Wild about Tarmworth' project, the aims of which will be to create LNRs & improve access to open space. It doesn't actually set targets for access to open space or LNR creation however.	1 0	1	1 0	0 0		1 0	Progress monitored/reporte annually.	§ Reasonably well presented & well structured. Aims, actions & targets are set out for each theme. There is a relatively strong commitment to bid, including objectives & an action. However no targets ares set & there is no reference to LBAP.
331	Tandridge District Council	South East	0	0 0	0 0 0	0 0 0	None of the above organisations are re on the LSP.	epresented	1	1 0	0 (There are only three themes within this community strategy. The environment is one such theme, although the issues are restricted to waste, air quality, water, energy & the built environment. There is a commitment to green belt protection however.	1 1	0 0	0	0 0	0	0 0	0	0 0		Whilst there is an in-built action plan in the strategy, this actually forms the main body of the strategy itself & is the only section with any objectives/actions/targets. There is no treatment of the natural environment.	1 0	0	0 0		There is very little treatment of cross-cutting themes, although 'cross-cutting quality of life indicators' are apparently to be used to monitor progress.	1 0	Action plans, at present, monitored quarterly.	Poor. Only three themes are treated in this strategy: community safely, environment & transport. There is no reference to the natural environment or bid. Environmental issues are restricted to waste/energy etc. No reference to LBAP.
	Taunton Deane Borough Counci	il					The EA are repress the LSP. The LBAI partnership is listed partnership in the d the environment the	as a key lelivery of		0 1		0 0		0 0	0 1						0 0			0 0	1	1 1		Under the objective of 'tackling disadvantage' in the environment section the following action is specified 'improve access to public open space and local nature reserves for disabled people'.	1 1	0	Good treatment of the natural environment & bid. A number of bid related objectives are set out & the organisations responsible for their delivery identified. No targets identified, but LBAP partnership is involved & implementation of LBAP is an action.
334	Teignbridge District Council	South West	0	0 (0 0 0	0 0 0			0	0 0	0 (The community strategy describes the natural environment, but only 10 priority issues are identified for the whole strategy. None of these relate to bú & thus whilst the strategy does refer to the environment the identified issues are severely restricted	1 1	0 0	0	0 0	0	0 0	0	0 0		The action plan solely relates to the 10 priority issues (none of which are relevant to b'd issues).	1 0	1	0 0		It is recognised that the environment has an impact on the community & economy, but the natural environment is not included as a factor in achieving the development priorities in these areas.	1 0	0 Good monitoring framework	The environment is included as a theme within the strategy, but none of the 'priority issues' relate to bid. Thus whilst there is description of the local environment & a link is provided to 3 LBAPs it doesn't contain any bid objectives/actions itself.
	Telford and Wrekin Council (Borough of)	West Midland	ds 0	0 0	0 0 0	0 0	None of the above organisations are re on the LSP.	epresented	1	1 0	0 0	0 0	Dreadful. There only section	0 0	0 0	0	0 0	0	0 0	0	0 0	0		0 0	0	0 0	0 0		0 0	o o	4th update of the strategy first produced in 1998 & in the foreword uses the phrase funless its proke, don't mend it. Consequently has absolutely no treatment of the natural environment or biodiversity at all. Extremely poor. Very poorly structured.
336	Tendring District Council	East of England	0	1 (0 1 0	0 0	The Environment A a member of the Te LSP. They are also partner for the 'sus' environment' theme	endring the lead taining the	0) 1	1 (This strategy is recorded as having an associated Action Plan, although it forms part of the same document. There is however actually very limited information outside the Action Plan section, in the main section of the strategy.	0 0	0 1	1	0 0	1	0 0	0	0 0	0		1 0	0	1 0	0 0		1 0	0	Biodiversity objectives are set out in this document. There is non example of a habitat monitoring 'action', but the objective to 'support biodiversity' is not expanded upon. Would benefit from a greater level of detail & from including targets.

337	Test Valley Borough Counc	South East				O None of the above organisations are represented on the LSP.		0 1	1	1 1	Action plans were due to be published 'from April 2004, but are not yet available online'.	0	0 0	1 0	0 0	0 0	0	1 0	0	0 0	One of the three measures of progress for the environment section is 'an increase in key indicator species as identified by the Test Valley Biodiversity Action Plan'.	0 0	0	1 0		Little/no treatment of cross- cutting themes.	1	0	0	Relatively detailed strategy that sets out objectives, actions & some targets. Good treatment of biodiversity including objectives, a broad action & a target linked to the BAP. Refers to Hampshire BAP & a draft LBAP. Could provide more detail on actions.
336	Tewkesbury Borough Counc	South West	0 0	0	0 0 0	None of the above organisations appear to be represented on the LSP.	0	1 0	1	0 0	There is an objective to protect the greenbelt which would presumably benefit bid, however treatment of the environment is on the whole limited to just a few issues, and there is no specific reference to flora, fauna or habitats.	0	0 0	0 0	0 1	1 0	0 0	0 0	0	0 C	O The strategy does include a target for access to the countryside. Action plans are to be developed for each locality within the borough, but there is no action plan specifically corresponding to the environment theme.	0 0	0	0 0	0		0	0	0	Basic strategy, only providing fairly limited coverage of most issues. No specific reference to bit, wildfille or habitats, but there are objectives relating to greenbelt protection & countryside access. No reference to the LBAP.
339	Thanet District Council	South East	0 1	0	0 1 0	None of the above organisations are represented on the LSP (board), although the Thanet Nature Conservation Umbrella Group is represented. However English Nature, the EA & the Kent Wildlife Trust are all lead partners for the wildlife theme.		0 1	1	0 1		0	0 1	1 1	0 (0 1	0 (0 0	0	0 0	0	0 (0	1 0		Little treatment of cross- cutting themes	1	0	0	Detailed strategy. Good treatment of, & commitment to, bid. A number of short, medium & long-term actions & largets for bid are specified. Kent BAP not referred to, but there is a commitment to the production of a Nature Conservation Strategy for Thanet.
340	Three Rivers District Council	East of England	1 0	0	0 0 0	0	0	0 0	1	0 0		0	0 0	0 0	0 (0 0	0 (0 0	0	0 0	0	1 1	0	1 0		The strategy is structured using the following themes: prosperous communities, sustainable communities, healthy communities, safer communities. This encourages treatment of cross-cutting issues. However environment is only considered under sustainability.	1	0	progress annually. There does	Not the most accessible document although its structure does encourage the treatment of cross-cutting themes. Under the theme of sustainable communities there is a commitment to support the actions and targets identified in the Hertfordshire LBAP.
34	Thurrock Council	East of England	0 1	0	1 0 0	The Environment Agency are represented in the LSP, and Thurrock Council are listed as the lead partners for the implementation of the LBAP.	0	0 1	1	1 1		0	0 1	1 1	0 1	1 1	0 0	0 0	0	0 0	D	1 1	1	1 1	0		1	1	the lead agency for	Well presented document. The strategy is set out in six sections, each a cross-cutting theme. Biodiversity targets & objectives are detailed under the heading 'Regenerated Thurrock', and it is intended that the LBAP will be implemented by the 2006 review.
342	Tonbridge and Malling Borough Council	South East	0 1	0	0 1 0	Kent Wildlife Trust & the Environment Agency are identified as important members of the partnership for achieving b'd objectives.	0	0 1	1	0 0		0	0 0	1 1	0 0	0 0	0 0	0 0	0	0 0	0	0 (1	1 0	0		1	0	0	Detailed strategy. Good recognition of local bid issues, & consideration of value of bid in the local area. Reference to targets from Kent BAP & the aims of the local nature conservation strategy. Outlines few bid specific targets/actions itself, however.
343	Torbay Council	South West	1 1	0	0 0 0	The Environment Agency are listed as one of the 105 organisations who support the plan. The Torbay Biodiversity Action Plan's also listed as an organisation/partnership supporting the plan, & it is assumed that this means the LBAP partnership.	0	0 1	1	0 1	The term biodiversity is included in the action plan.	0	0 1	1 1	0 (0 0	0	1 1	0	1 (O Tow of the targets in the action plan are: increase the population of cirl buntings breeding in Torbay by 10% & (relating to an objective of improving farmland for wildlife) designate two further LNRs by 2006. Also develop an 'Urban BAP'	0 0	0	1 0		Little treatment of cross- cutting themes.	1	1	A formal monitoring process is in place. Date of the next strategy review is not clear, but the action plan will be re- written in 2007.	Excellent example of a strategy where the main issues & objectives are clearly & simply presented in the main strategy document, and then these issues are treated in much greater detail in the associated action plan. Good treatment of bid. Linked to LBAP.
344	Torridge District Council	South West	0 0	0	0 0 0	0	0	0 0	0	0 1		0	0 0	0 0	0 0	0 0	0 0	0 0	0	0 0	D	0 0	0	0 0	0		0	0	0	A strategy was adopted on the 5th of July 2004 & an action plan was published on the 12th. However the district council website is down at present, & therefore the strategy is not accessible online.
345	Tower Hamlets London Borough Council	Greater London	0 0	0	0 0 0	0 None of the above.	0	1 0	0	0 0	The only relevant references are to green spaces.	0	0 0	0 0	0 (0 0	0 0	0 0	0	0 0	0 None of the above	1 (1	0 0	0		1	0	There would appear to be an annual review and updating of the community strategy including information on whether the previous year's targets were met.	No mention of biodiversity and very little mention of environmental issues in terms of nature conservation other than briefly alluding to the borough's green spaces.
346	Trafford Metropolitan Borough Counc	North West	0 0	0	0 0 0	None of the above organisations are represented on the LSP board. It is not clear whether any are represented on the Trafford Environment Partnership, the lead group for the environment sub-theme.	O tt	0 1	1		The strategy includes bid objectives & targets, but no specific actions are outlined. It describes case studies (including an ecology park) but does not outline what will be done in relation to each of these areas	1	1 0	0 1	0 (0 0	0 (0 0	1	0 0	Increase in the area and total number of nature sites is a target in the strategy itself. The action plan merely relates to the evolution of the LSP & assessment of the strategy. It does not describe the implementation of the strategy's objectivestargets	1 (0	1 0	0		1	1	ō	Reasonably detailed strategy. Provides a retailvely good coverage of environmental issues & one of the linked plans is the LBAP Cultines objectives & targets for blodkersly. Would benefit from providing detail on specific bid actions.

347 Tunbridge Well Borough Counc	cil	0	0	0 0	1 The Environment Agency are listed as one of the key partners in the production of this plan and the Kent Wildlife Trust are identified as a partner for a biodiversity action.		0	1 1	0	1	0 0	1	1 1	0 (0 1	0	0 0	0	0	1	1 0	1	1 0	ci lit is	Recognition of the cross- cutting nature of themes, but little formal treatment of this issue.	1	1	0	Detailed strategy with a good treatment of the natural environment & bid. Commits to wildlife & habitat protection, a number of bid projects are outlined & the development of an LBAP for the borough is a key action. Also includes targets for bid.
348 Tynedale Distri Council	ct North East	0	0 0	0 0 0	OlNone of the above organisations are represented on the LSP (although the Northumberland National Park Authority is).		0	1 1	0	Olt is an objective (aim) of this strategy to 'achieve the aim of the Northumberland Biodiversity Action Plan'.	0 0	0	0	0 (0 0	0	0 0	0	0	O Actions are described in the strategy but are still very broad, i.e achieve the biodiversity aim by 'protecting & improving habitats & species'. An Action Plan detailing actions, targets & partners is to be developed & this is at present probably needed	1 0	1	1 0	o re b e T tr	Recognition of the importance of the environment to the region & that as such it must be 'at the heart of any economic strategy for Tynedale'. No formal treatment of cross-cutting issues however.	1	0	0	Clear, readable and well presented document. Recognition that the environment is Tynedale's 'greatest asset', and as such it limits with the economy & qualify client with the Commitment to biodiversity, in particular achieving the aims set out in the LBAP.
349 Uttesford Distri Council	ct East of England	0 (0 0	0 0 0	The Community Plan refers to partners' who will strive to implement the objectives set out under the environment theme. None of the above organisations are however listed.	0	0	0 1	1	There is no associated Action Plan, but the Strategy itself specifies the actions that are necessary in order to achieve the biodiversity objectives and targets.		0 0	1 0	0 (0 1	0	0 0	0	1		0 0	0	1 0	0		1	0	0	This Community Plan does not have an associated Action Plan. There is no direct link to the LBAP. However, the plan outlines detailed and specific actions & largets for blodiversity both for habitats and species (e.a ancient woodland & song thrushes).
350 Vale of White Horse District Council	South East	0	0	0 0	The Environment Agency are represented on the LSP.	1	1	0 0	0	1 An action plan is to be produced.	0 0	0 0	0 0	0 (0	0	0 0	0	0		0 0			0		0		0	Exceptionally poor. There is no detail whatsoever in this strategy document. The environment is identified as one of nine themes, but the only further detail concerns issues arising from community consultation. No objectives, actions or targets.
351 Vale Royal District Council	North West	0 (0 0	0 0 0	None of the above organisations are represented on the LSP.	0	0	0 1	0	Action plans are to be produced, but could not, at present, be located online. Does not specifically use the term biodiversity, but does commit to the protection of habitats and wildlife.	0 0	0 0	1 0	0 (0 1	0	0 0	1	0	The targets/indicators checked above are included in the strategy itself (the action plan could not be located online).	1 0	0	1 0	e a d	The quality of the natural environment is recognised as a 'significant factor in the development of the tourism industry'.	0	0	further information provided), it	Relatively short document, but does recognise the importance of the natural environment. Would be improved if more detail is provided in the associated action plans. No reference to LBAP & no info on who is responsible for the delivery of b'd objectives.
352 Wakefield MDC	Yorkshire and Humber	0	0	1 0	0	0	0	0 1	0	0 A joint action plan is being drawn up by the Environmental Well-Being Partnership	0 0	0 0	1 0	0 (0 0	0	0 0	0	0	0	0 0	0 (0	0		1	0	0	The lack of an available action plan for the environment means that this plan is lacking.
353 Walsall MBC	West Midlands	5 0	0	0 0 0	0	0	0	0 1	0	The Strategy identifies 'priorities' ratehr than objectives. No targets are included. An LNR indicator is mentioned but no context or target are given.	0 1	0 (0 0	0 (0 0	0	0 1	0	0	0	1 1	1 (0 0	0		1	0	0	Very poor. Confusion about priorities/objectives/targets/indicators. The 2004 review does not even report on the environment priorities.
354 Waltham Fores London Boroug Council		0	0	0 0	0 None of the above	0	1	0 0	0	0	0 0	0 0	0	0 (0	0	0 0	0	0	0 None	1 0	0 (0 0	0		1	0	Annual update of the community plan.	Very little by way of reference to features of nature conservation value. Some reference to the green spaces in the borough but only aims are to keep these well managed and clean.
355 Wandsworth London Boroug Council	Greater th London	1 (0	0 0 0	0	0	0	1 0	0	ō	0 0	0	1 1	1 () 1	1	1 0	1	0	0	1 0	1	1 0	0		0	1	1	A fairly sophisticated view, understandable given several interest features in borough. Includes understanding of value of green an brownfield sites for London wildlife.
356 Wansbeck District Council	North East	0 1	0 0	0 0 0	None of the above organisations are represented on the LSP either at board or theme group level. (potentially may have been consulted though?)	0	0	1 1	0	Action Plan not yet available online.	0 0	0	0	0 (0 0	0	0 0	0	1	O A key priority listed in the strategy is to 'reverse the long term decline in populations of farmland and woodland birds'. Actions are to be specified in the action plan, which is not yet available online.	1 1	1	1 1		Good treatment of cross- cutting themes.	0	0	0	Refers to its role in reducing the number of local plans by incorporating the LBAP, LA21 strategy & others. Good treatment of cross- cutting themes. Recognises the importance of the environment & includes objectives for bid, although no actions outlined.
357 Warrington Borough Cound	North West	0 1	0 0	0 0 0	None of the above organisations appear to have been represented. This maybe due to the fact that this document was produced by the council rather than an LSP, and is almost a corporate plan rather than a true community strategy.	1	0	0 1	1	5	0 0	0	0	0 (0 0	0	0 1	1	0	the above targets are found in the Community Plan itself, not an associated Action Plan.	0 0	0	1 0		Little other treatment of cross- cutting themes.	0	0	o	Langthy, 94 page document. The document available online is not really at the Community Strategy, more a corporate plan. Being reviewed to oring in line with Community Strategy guidance. Includes commitment to bid protection, however.
358 Warwick Distric Council	West Midlands	1	1	0 1 0	0	0	0	0 1	0	They have only identified priorities at this stage.	0 0	0 0	0	0 (0	0	0 0	0	0	0	0 0	0	0 0	0		0	0	0	This is at an early stage of development. There are only priorities identified so far, one of shich is the protection and enhancement of the natural environment.
359 Warwickshire County Council	West Midlands	0 0	0	0 0	0	0	0	1 1	1	ō	0 0	0 0	1 1	0 (0 0	1	0 1	1	0	0	1 0	1 (0 1	1		1	0	0	Although well thought out, the strategy lacks quantifiable targets. Rather it seeks positive movement on a number of good issues.

	Watford Borough Council	East of England	0	1	0 0	1 0	0 The Midd both	EA & the Herts and dlesex Wildlife Trust are h key partners for the ironment section.	0	0 1	1		The Strategy has a target that the current standard of 1ha of LNR per 1000 of the population is maintained and sets a separate target for open space provision.	0 0	0	1 0	0 0	0 0	0	0 0	0	0 0	0	1 0	0	1 1	0		0	0	against the targets set out in	A clear and well-structured document that specifies objectives, actions and targets against which progress can be monitored.
	Waveney District Council	East of England	0	0	0 0	0 0	the a	re is no record of any of above organisations being olved in the LSP or in the duction of the Community stegy.	0	0 1	1		The Audit Commission's Quality of Life Indicators are to be used as measures of success of the strategy (including for biodiversity objectives).	0 0	0	0 0	0 (0 1	0	0 1	1	0 0	There is no distinct action plan but the above targets are set out in the strategy itself. The strategy identifies actions that 'could' take place, rather than those that will definitely be implemented.	1 0	0	1 0		The strategy recognises sustainability as a cross-cutting theme.	0	0	No formal monitoring or review process is outlined.	Good consideration of biodiversity. However there is very little commitment to actual action and most objectives are simply followed by the phrase this could be achieved by Would therefore benefit from the development of an action plan.
	Waverley Borough Council	South East	0	1	0 0	0 0	repro asso parti	Environment Agnecy and Surrey Wildlife Trust are resented on 'the wider ociation of agencies and ners in the LSP' (i.e on the P, but not the Steering up).	0	0 1	1		There is a target to increase the level of local participation in biodiversity projects (however neither a baseline nor a quantitative target is provided).	0 0	0	1 0	0 (0 0	0	0 0	0	0 0		0 0	0	1 0		There is little/no treatment of cross-cutting themes	0	0	0	Reasonably detailed strategy with a relatively good coverage of the natural environment & bid (especially compared with other Surrey strategies). Objectives commit to bid protection & enhancement. Several actions are outlined. Includes link to Surrey BAP.
363	Wealden District Council	South East	1	1	1 1	1 0	repro Sus- Part lead the li Natu	Environment Agency are essented on the LSP. The sex Biodiversity thership are one of the dorganisations for one of biodivactions. English ure & the Sussex Wildlife st are represented on the prartnership.	0	0 0	1		Protection of wildfife is identified as an issue, but the strategy does not set out specific objectives. B/d is however likely broadly covered by the over-arching objective 'develop a healthy, rich and diverse environment'.	0 0	1	1 0	0 1	1 0	0	1 0	0	0 0	A target/measure of success included in the strategy itself is more conservation areas identified (it is not believed that this refers to the built environment in this case). There is an action (not target) for access to greenspace.	1 0	0	1 0	0		1	1	0	The strategy itself is very basic & does not provide much detail. It does however commit to the protection of the natural environment. The action plan is however very detailed & sets out numerous bid actions & targets & links to the LBAP.
	Wellingborough Borough Council		s 0	1	0 1	0 1	on the The Trus 'Bett amo	Environment Agnecy are he LSP steering group. EA, alongside the Wildlife st, also sit on the the ter' theme group, which nogst other issues deals the environment.	0	0 0	1		The strategy includes a number of targets/indicators in the environment ('Better') section, but at present none relate to bid. It does however indicate that conservation related targets are to be developed& identifies the organisation responsible for this	0 0	0	0 0	0 (0 0	0	0 0	0	0 0	0	0 0	0	1 0	0		1	1	0	Brief treatment of the issues. Includes as an objective provide and maintain local natural and semi-natural habitats' & refers to wildlife but at present includes no targets for bid. Lacks any detail on specific actions. No reference to LBAP.
366	Welwyn Hatfield District Council		0	0	0 0	0 0	be e prior will t the I links parti Envi	Environment Forum is to stablished as a key rity of the strategy and it be a lead partnership in LSP. This is likely to have s with the LBAP nership (the Hertfordshire ironment Forum), but this ot confirmed.	0	0 0	1	0 1	A key objective listed in the nevironment section is the protection of wildlife and natural habitats'.	0 0	0	0 0	0 (0 0	0	0 0	0	0 0	O No specific actions are outlined in the community strategy, and the Action Plan is, at present, predominantly concerned with the establishment of the local Environment Forum.	0 0	0	1 0	1	Not much evidence of treatment of cross-cutting issues.	0	0	0	The Community Plan itself is a short document (allhough it is easily accessible) but it does outline clear biodiversity objectives with a timescale. Few targets or actions are outlined at present but this may change with the next review of the action plan
367	West Berkshire District Council	South East	0	1	0 0	0 1	orga on the boar how 'rura	ne of the above anisations are represented he LSP management rd. English Nature are vever represented on the al issues' sub-group (there o environment sub-group).	1	1 1	0		There is an objective to reduce the amount of ragwort as a danger to wildlife & livestock in West Berkshire (it is however very debatable the extent to which this can be considered a bid objectivel). Refers to bid in the Borough but does not commit to it.	0 0	0	0 0	0 (0 1	0	0 1	1	0 1	I No actions or targets relate specifically to did. In a set of quality of life indicators for West Berkshire outlined at the end of the document, LNRs, SSSIs, Local Wildlife Heritage sites & species counts are all used as indicators, but no targets are set	0 0	0	0 0		Biodiversity is described in the community strategy, but is not recognised as a factor in achieving any of the priorities identified in the strategy.	0	0	0	Very poorly structured document, making it difficult to follow. Whilst towards the end of the document the term bid is used 8 an opportunity identified, on actions, targets or objectives are specified. Bid indicators are included, but no targets set. Poor
	West Devon Borough Council		0			0 0				0 1			Very little treatment of the natural environment in the main body of the report, but sustainability is identified as cross-cutting theme &, in the section on sustainability in the annex, there is an objective and indicator for bid. No actions however.			0 0					0	0 0	D The action plan does refer to the natural environment or bid at all. The main indicator for bid in the annex of the strategy is the variety and number of species of nesting bird'. A second is the loss of hedgerows & diversity of species within them.	1 0	1	1 0			1	0	0	Confusing structure. An objective is the protection of the landscape & local environment, but no further detail is provider. There is no environment section, but in the annex, under the heading sustainability, there is commitment to bid. Overall, poor.
	West Dorset District Council	South West	0	1	0 1	0 0		Dorset Wildlife Trust are resented on the LSP rd.	0	0 0	1		Biodiversity recognised as an issue & it is assumed to be very broadly covered by objectives relating to the protection of the area's 'heritage', but no specific actions/commitments to b'd are outlined.	0 0	0	0 0	0 0	0	0	0 0	0	0 0	0	0 0	0	0 0		Little/no treatment of cross- cutting themes. B/d recognised as an issue, but not specifically identified as being a factor in the achievement of the wider environmental aims.	0	0	Apparently to be reviewed regularly, but no formal monitoring/review process is outlined.	Very basic plan. Brief coverage of all issues & then a very short list of actions. Recognises the high quality of the natural environment, but fails to commit to any bid actions or targets. Bid very broadly covered by an objective. No reference to LBAP.

370	West Lancashir District Council	e North West	1 0	0 1 0	0 0 1	English Nature, the EA, the local Wildlife Trust and the LBAP partnership are all listed as 'signatories' to the strategy. Membership of the board and the sub-groups is not clear.	0 0	1	1 1	1	0	0 1	1 0	1 1	1 1	0 1	1 0	1 0	0	The action plan provides a very good coverage of biodiversity issues, identifying a number of actions & targets and referring to the LBAP. The implementation of LBAP targets is also listed as a target listed in the strategy itself.	1 0	1 1	0	Recognition that there are several notable wildlife sites & that many of these 'are also valaubale economic assets'.	1 (0	Relatively brief coverage of each issue, but does commit to protection and enhancement of wildlife & habitats. Includes objectives & largets and refers to the LBAP itself & the LBAP partnership. Good treatment of bio
37	West Lindsey District Council	East Midlands	0 1	0 1	0 0 0	The Environment Agency are listed as a partner of the LSP.	0 0	1	0 1	Ecology is one of the 'servic areas' covered by the environment section, but the are no objectives/actions specifically aimed at biodiversity. The achieveme of biodiversity targets' is however outlined as both a target itself & a measure of progress	ere	0 0	0 1	0 (0 0	0 0	0 0	0 0		Action Plans to be established by March 2005. Several specific Quality of Life indicators are described at the end of the strategy, but there are none for biodiversity.	1 0	0 1	0	I Health is treated as a cross- cutting issue. Access to the countryside and the promotion of the 'natural beauty of the Wolds' to encourage tourism, are listed as local priorities for the economy of the Wolds area.	1 1	0	Outre well structured document outlining priorities, actions & measures of progress. Despite quite a strong environment section however, (incl. a target for brd) there is little description of specifically blodiversity-related actions or objectives.
37:	West Oxfordshire District Council	South East	0 0	0 0	0 0 0	None of the above organisations are represented on the LSP steering group.	0 1	0	0 0	Recognition that West Oxfordshire has 'a very rich and diverse natural habitat'. However there are no objectives, actions or targets relating to b'd (in fact there a very few actions/objectives relating to any environmenta issue).	s are	0 0	0 0	0 (0 0	0 0	0 0	0 0	0		0 0	1 0	0	It is recognised that the 'environment is important in its own right & also as a generator of economic benefit through tourism'.	0 (0	Ouite lengthy strategy, but with very little detail for the environment. There is recognition of the quality of the natural environment but none of the objectives relate to bid or the natural environment. There are no bid actions or targets. Very Poor.
37:	West Somerset District Council	South West	0 0	0 0	0 0 0	None of the above organisations are represented on the LSP.	1 1	0	0 0	1	1	1 0	0 0	0 (0 0	0 0	0 0	0 0	0		0 0	1 0	0	O As there is no section devoted to the environment, the partnership has agreed that protecting the environment, should be an overarching feature of all 8 key priorities. There is however, almost no evidence that it has actually been treated as such.	0 0	No formal monitoring pro is outlined.	cess The strategy is relatively detailed & includes an in-built action plan. However there is virtually no treatment of the natural environment or bid at all, despite part of Exmoor National Park neing located within the district. Very poor.
37-	West Sussex County Council	South East	0 1	0 1	0 0 0	The Environment Agency are represented on the LSP board. English NAture and the Sussex Wildlife Turst are represented on the wider partnership.	1 0	1	1 0	The Strategy identifies the need to enhance the biodiversity resource & bid protection could be understood to be broadly pa of the strategic vision for the environment in West Susse- However there is actually ve little specific reference to bid	rt x.	0 0	1 0	0 (0 0	0 0	0 0	0 0		One of the example actions is plant the ancient woodland of 2200'.	1 1	1 1	0	Bird is identified as one of the key environmental issues, but is not specifically included as a factor in the targets for the environment.	1 (0	Set out as an overview or framework strategy, setting the 'strategic direction' for West Sussex. Identifies the 'need to enhance bit', but outlines only one action & no objectives or targets that specifically address this need. No reference to LBAP. Poor.
37	West Wiltshire District Council	South West	0 0	0 0	0 0 0	None of the above organisations are represented on the LSP board.	0 0	0	0 0	0	0	0 0	0 0	0 (0 0	0 0	0	0 0	0		0 0	0 0	0	0	0 0	0	Appears to be a detailed strategy, however the full document can not be accessed online at the present time as the weblink crashes after only a few pages. Potentially due to the fact that it has only recently been published.
376	Westminster City Council	Greater London	0 0	0 0	0 0 0	None of the above	0 1	0	0 0	O Some mention is made of green space.	0	0 0	1 0	0 (0	0 0	0	0 0		Some actions including information on local BAP and maintenance/increase in wildlife habitat area.	1 0	1 0	0	0	1 (0	There is not a great deal here on nature conservation measures. However, the council does have a well developed local BAP. Reference is made to this within the community plan.
37	Weymouth and Portland Borough Counci	4	0 1	0 0	0 0 1	The Environment Agnecy are not one of the main organisations involved in the development of the strategy, but have been involved in the wider development & implementation process.	0 1	0	1 0	There is a commitment to improve and sustain our natural and built environmer Very broadly speaking this should incorporate a commitment to bid. However none of the more specific objectives/actions/targets relate directly to bid.	nt'.	0 0	0 0	0 (0	0 0	0	0 0	0		0 0	0 0	0	O Little/no treatment of cross- cutting themes. Natural environment described, but bid not specifically identified as being a factor in the achievement of the wider environmental aims.	1 (An update on progress a revised targets is provide annually.	
371	Wigan Metropolitan Borough Counci	North West	0 1	0 0	1 0 0	None of the above organisations are represented on the LSP board. The EA are represented on the environment sub-group.	0 0	1	0 0	Recognises at present that biodiversity is decreasing bu outlines no objectives or actions to counteract this. Confusingly, also includes th Wigan Flashes Project (bid related) as a case study project, although no objectives/actions/targets relate to bid	it le	0 0	0 0	0 0	0 0	0 0	0 0	0 0		Actions plans were potentially to be developed, but there is no evidence to suggest that have even been started.	1 0	1 0	1	Recognition that environmental factors are relevant in working towards social inclusion.	1 (0	Reasonably detailed document but is not very accessible or well structured online. Whilst there is relatively good coverage of ervironmental issues & recognition of declining by in o objectives or actions are proposed to counter this. No reference to LBAP
